Certain Uncoated Paper From Indonesia: Affirmative Preliminary Determinations of Circumvention of the Antidumping and Countervailing Duty Orders for Uncoated Paper Rolls

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) preliminarily determines that imports of certain uncoated paper rolls from Indonesia are circumventing

the antidumping duty (AD) and countervailing duty (CVD) orders on certain uncoated paper from Indonesia. As a result, all imports of certain uncoated paper rolls from Indonesia from certain non-responsive converters¹ will be subject to suspension of liquidation on or after October 18, 2019. All remaining imports of certain uncoated paper rolls from Indonesia will be subject to suspension of liquidation on or after the date of publication of this preliminary determination. Commerce is also imposing a certification requirement. We invite interested parties to comment on these preliminary determinations.

DATES: Applicable January 27, 2021.

SUPPLEMENTARY INFORMATION:

Background

On October 18, 2019, Commerce initiated anti-circumvention inquiries to determine whether imports of certain uncoated paper rolls that are further processed into uncoated paper sheets in the United States² are circumventing the *Orders*³ on certain uncoated paper from Indonesia. Commerce issued questionnaires soliciting data on the quantity and value of exports of uncoated paper rolls to various companies. We received responses to these questionnaires from all parties except Midwest Converting and Mohawk Fine Papers Inc.

¹ The non-responsive converters are: Advanced Paper Enterprises, Inc.; Alliance Converting LLC; Case Paper Company Inc.; LinkMax Paper; Midwest Converting; Mohawk Fine Papers Inc.; and Northwoods Paper Converting (collectively, non-responsive converters). See Memorandum, "Preliminary Decision Memorandum for the Anti-Circumvention Inquiries on the Antidumping and Countervailing Duty Orders on Certain Uncoated Paper from Indonesia," dated concurrently with this notice (Preliminary Decision Memorandum) at "Use of Facts Available and Use of Facts Available with an Adverse Inference."

³ See *Certain Uncoated Paper from Australia, Brazil, Indonesia, the People's Republic of China, and Portugal: Amended Final Affirmative Antidumping Determinations for Brazil and Indonesia and Antidumping Duty Orders*, 81 FR 11174 (March 3, 2016); see also *Certain Uncoated Paper from Indonesia and the People's Republic of China: Amended Final Affirmative Countervailing Duty Determination and Countervailing Duty Order*, 81 FR 11187 (March 3, 2016) (collectively, *Orders*).

Subsequently, Commerce selected three Indonesian companies/company groups as mandatory respondents—APRIL Fine Paper Macao Offshore Limited/APRIL International Enterprise Pte. Ltd./A P Fine Paper Trading (Hong Kong) Limited/PT Anugrah Kertas Utama./PT Riau Andalan Kertas (collectively, APRIL); Great Champ Trading Limited (Great Champ); and PT. Indah Kiat Pulp and Paper Tbk/PT. Pabrik Kertas Tjiwi Kimia Tbk/Pindo Deli Pulp and Paper (collectively, APP Indonesian Mills)—and required them to respond to a full questionnaire relating to their export activity with respect to uncoated paper rolls.⁴ We additionally determined to examine merchandise imported by three U.S. companies and to obtain information related to their paper conversion operations from nine additional U.S. companies.⁵ We received full questionnaire, supplemental questionnaire, and conversion questionnaire responses, as applicable from six of these companies and a partial response from a seventh company, CellMark Paper, Inc. (CellMark). Five companies (*i.e.*, Advanced Paper Enterprises, Inc.; Alliance Converting LLC; Case Paper Company Inc.; LinkMax; and Northwoods Paper Converting) failed to respond. For a complete description of the events that followed the initiation of these inquiries, see the Preliminary Decision Memorandum.

Scope of the Orders

The merchandise subject to the *Orders* includes uncoated paper in sheet form; weighing at least 40 grams per square meter but not more than 150 grams per square meter; that either is a white paper with a GE brightness level of 85 or higher or is a colored paper; whether or not surface-decorated, printed (except as described below), embossed, perforated, or punched; irrespective of the smoothness of the surface; and irrespective of dimensions (Certain Uncoated Paper). For a full description of the scope, see the Preliminary Decision Memorandum.⁶

⁴ See Memorandum, "Respondent Selection," dated May 18, 2020. As discussed in that document, we have previously found the various APRIL and APP Indonesian Mills companies as single entities in prior segments of this proceeding. In the absence of comments from any interested parties and any contrary information, we continue to treat these parties as single entities in this segment.

⁶ See Memorandum, "Preliminary Decision Memorandum for Anti-Circumvention Inquiry of the Antidumping Duty Order on Certain Uncoated Paper from Indonesia: Uncoated Paper Rolls," dated concurrently, and hereby adopted, with this notice (Preliminary Decision Memorandum).

Merchandise Subject to the Anti-Circumvention Inquiries

These anti-circumvention inquiries cover certain uncoated paper rolls that are commonly, but not exclusively, known as “sheeter rolls,” from Indonesia that are further processed in the United States into individual sheets of uncoated paper that would be subject to the *Orders* (i.e., paper that weighs at least 40 grams per square meter but not more than 150 grams per square meter; and that either is a white paper with a GE brightness level of 83 +/- 1% or higher or is a colored paper (as defined in the “Scope” of the Preliminary Decision Memorandum)), except as noted below. The uncoated paper rolls covered by these inquiries are able to be converted into sheets of uncoated paper using specialized cutting machinery prior to printing, and are typically, but not exclusively, between 52 and 103 inches wide and 50 inches in diameter. For clarity, we herein refer to “subject-paper rolls” when referencing the certain uncoated paper rolls that may be converted into subject merchandise. Subject-paper rolls are classified under Harmonized Tariff Schedule category 4802.55.⁷

Certain importers of subject-paper rolls that will not be converted into subject merchandise may certify that the subject-paper rolls will not be further processed into subject merchandise covered by the scope of the *Orders*. Failure to comply with the requisite certification requirement may result in the merchandise being found subject to AD/CVD duties.

Methodology

Commerce made these preliminary findings of circumvention in accordance with section 781(a) of the Tariff Act of 1930, as amended (the Act) and 19 CFR 351.225(g). We relied on information placed on the record by petitioners,⁸ respondents, and other interested parties. Further, because CellMark and the non-responsive converters did not cooperate by failing to respond to the best of their abilities to Commerce’s requests for information, we have used adverse inferences, either in whole or in part, when selecting from among the facts otherwise available on the record for certain aspects of these preliminary

determinations, pursuant to sections 776(a) and (b) of the Act.⁹

For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <http://enforcement.trade.gov/frn/>. The signed and electronic versions of the Preliminary Decision Memorandum are identical in content. A list of the topics discussed in the Preliminary Decision Memorandum is attached at Appendix I to this notice.

Affirmative Preliminary Determinations of Circumvention

Based on our analysis, as detailed in the Preliminary Decision Memorandum, we preliminarily find, pursuant to section 781(a) of the Act, that imports from Indonesia of uncoated paper rolls that meet the description of inquiry merchandise above (i.e., subject-paper rolls) that are further processed in the United States into subject merchandise are circumventing the *Orders*.

To administer these affirmative circumvention determinations, Commerce is requiring that importers of certain paper rolls from Indonesia that otherwise match the physical description of subject-paper rolls and will not be further processed into uncoated paper sheets subject to the *Orders* certify that the merchandise will not be further processed into subject uncoated paper sheets. Importers of such merchandise will be required to certify and maintain their certifications and supporting documentation to provide to U.S. Customs and Border Protection (CBP) and/or Commerce upon request.¹⁰ Properly certified entries are not subject to AD/CVD duties under the *Orders*. Exemption from AD/CVD duties under the *Orders* is permitted only if the certification and documentation requirements specified in Appendices II and III are met.

Entries of subject-paper rolls purchased by the non-responsive converters (i.e., Advanced Paper Enterprises, Inc., Alliance Converting LLC, Case Paper Company Inc.,

LinkMax Paper, Midwest Converting, Mohawk Fine Papers Inc., and Northwoods Paper Converting) are not eligible for certification.

Suspension of Liquidation

In accordance with 19 CFR 351.225(l)(2), for entries of subject-paper rolls that were imported or purchased by the non-responsive converters (i.e., Advanced Paper Enterprises, Inc.; Alliance Converting LLC; Case Paper Company Inc.; LinkMax Paper; Midwest Converting; Mohawk Fine Papers Inc.; and Northwoods Paper Converting), Commerce will instruct CBP to suspend liquidation of subject-paper rolls (as defined in the “Merchandise Subject to the Anti-Circumvention Inquiries” section above) from Indonesia that are entered, or withdrawn from warehouse, for consumption on or after October 18, 2019, the date of publication of the initiation of these anti-circumvention inquiries in the **Federal Register**.¹¹ For all other entries of subject-paper rolls, Commerce will instruct CBP to suspend liquidation of the subject-paper rolls from Indonesia that are entered, or withdrawn from warehouse, for consumption on or after the date of publication of these preliminary determinations.

CBP shall require cash deposits in accordance with those rates prevailing at the time of entry, unless the importer can certify to CBP that the subject-paper rolls will not be further processed into uncoated paper sheets subject to the *Orders* in the United States, and that the purchaser and/or end user is not Advanced Paper Enterprises, Inc., Alliance Converting LLC, Case Paper Company Inc., LinkMax Paper, Midwest Converting, Mohawk Fine Papers Inc., or Northwoods Paper Converting.¹² In that latter instance, no cash deposit rate will be required. Subject-paper rolls meeting the physical characteristics described above, which are imported and/or purchased by the non-responsive converters (i.e., Advanced Paper Enterprises, Inc., Alliance Converting LLC, Case Paper Company Inc., LinkMax Paper, Midwest Converting, Mohawk Fine Papers Inc., and

Notification to the U.S. International Trade Commission (ITC)

Consistent with section 781(e) of the Act, Commerce is notifying the ITC of these affirmative preliminary determinations to include the merchandise subject to these inquiries within the AD/CVD *Orders* on uncoated paper from Indonesia. Pursuant to section 781(e) of the Act, the ITC may request consultations concerning Commerce's proposed inclusion in the *Orders* of the inquiry merchandise. These consultations must be concluded within 15 days after the date of the request. If, after consultations, the ITC believes that a significant injury issue is

presented by the proposed inclusion, it will have 60 days to provide written advice to Commerce.

Appendix II—Certification Requirements

If an importer imports subject-paper rolls from Indonesia and claims that the subject-paper rolls will not be further processed into uncoated paper sheets covered by the *Orders*, the importer is required to complete and maintain the importer certification attached hereto at Appendix III and all supporting documentation. Where the importer uses a broker to facilitate the entry process, it should obtain the entry summary number from the broker. Agents of the importer, such as brokers, however, are not permitted to make this certification on behalf of the importer.

All importers of subject-paper rolls from Indonesia are eligible for the certification process detailed below, with the exception that entries of subject-paper rolls imported and/or purchased by Advanced Paper Enterprises, Inc., Alliance Converting LLC, Case Paper Company Inc., LinkMax Paper, Midwest Converting, Mohawk Fine Papers Inc., or Northwoods Paper Converting, are ineligible for certification.

For entries of subject-paper rolls from Indonesia entered, or withdrawn from warehouse, for consumption on or after the date these preliminary determinations were signed for which the importer claims that the rolls will not be further processed into uncoated paper subject to the orders, the importer is required to meet the certification and documentation requirements detailed in the certifications in order for no suspension of liquidation and no cash deposit to be required for such entries. Among other requirements detailed below, importers are required to maintain a copy of any certifications, as well as sufficient documentation supporting the certification (i.e., documents maintained in the normal course of business, or documents obtained by the certifying party, for example, mill

certificates, production records, invoices, etc.) for the later of: (1) A period of five years from the date of entry; or (2) a period of three years after the conclusion of any litigation in the United States courts regarding such entries.

For all such shipments and/or entries on or after the date of publication of these preliminary determinations in the **Federal Register**, through 14 days after the date of publication of these preliminary determinations in the **Federal Register**, for which certifications are required, importers should complete the required certifications no later than 14 days after the date of publication of these preliminary determinations in the **Federal Register**.

Accordingly, where appropriate, the relevant bullet in the certification should be edited to reflect that the certification was completed within the time frame specified above. For example, the bullet in the importer certification that reads: "This certification was completed at or prior to the time of Entry Summary," could be edited as follows: "The imports referenced herein entered on {insert date}. This certification was completed on mm/dd/yyyy, within 14 days of the publication date of the **Federal Register** notice of the preliminary determinations of circumvention."

For all shipments and/or entries made later than the 14th day after the date of publication of these preliminary determinations in the **Federal Register** for which certifications are required, importers should complete the required certification at or prior to the date of Entry Summary.

Appendix III—Importer Certification

I hereby certify that:

(B) I have direct personal knowledge of the facts regarding the importation into the Customs territory of the United States of subject-paper rolls produced in Indonesia that entered under the entry summary number(s), identified below, and which are covered by this certification. The uncoated paper rolls are typically, but not exclusively, between 52 and 103 inches wide and 50 inches in diameter. Subject-paper rolls are classified under HTSUS category 4802.55. "Direct personal knowledge" refers to facts the certifying party is expected to have in its own records. For example, the importer should have direct personal knowledge of the importation of the product (e.g., the name of the exporter) in its records.

(I) I understand that {NAME OF IMPORTING COMPANY} is required to

provide this certification and supporting records to U.S. Customs and Border Protection (CBP) and/or the Department of Commerce (Commerce), upon request by the respective agency.

(J) I understand that the claims made herein, and the substantiating documentation, are subject to verification by CBP and/or Commerce.

(K) I understand that failure to maintain the required certifications, and/or failure to substantiate the claims made herein, and/or failure to allow CBP and/or Commerce to verify the claims made herein, may result in a *de facto* determination that all entries to which this certification applies are within the scope of the antidumping/countervailing duty orders on certain uncoated paper from Indonesia. I understand that such finding will result in:

(i) Suspension of liquidation of all unliquidated entries (and entries for which liquidation has not become final) for which these requirements were not met;

(ii) the requirement that the importer post applicable antidumping duty and/or countervailing duty cash deposits (as appropriate) equal to the rates determined by Commerce; and

(iii) the revocation of {NAME OF IMPORTING COMPANY}'s privilege to certify future imports of subject-paper rolls from Indonesia as not being imported for purposes of further processing into the United States into uncoated paper sheets.

(L) I understand that agents of the importer, such as brokers, are not permitted to make this certification. Where a broker or other party was used to facilitate the entry process, {NAME OF IMPORTING COMPANY} obtained the entry summary number and date of entry summary from that party.

(M) This certification was completed at or prior to the date of entry summary.
