#### SUPPLEMENTARY INFORMATION:

##### I. Background

The Department established a safe harbor pursuant to which all pension and welfare benefit plans covered by Title I of ERISA may use electronic media to satisfy disclosure obligations under Title I of ERISA (29 CFR 2520.104b-1). Employee benefit plan administrators will be deemed to satisfy their disclosure obligations when furnishing documents electronically only if a participant who does not have access to the employer's electronic information system in the normal course of his duties, or a beneficiary or other person entitled to documents, has affirmatively consented to receive disclosure documents. Prior to consenting, the participant or beneficiary must also be provided with a clear and conspicuous statement indicating the types of documents to which the consent would apply, that consent may be withdrawn at any time, procedures for withdrawing consent and updating necessary information, the right to obtain a paper copy, and any hardware and software requirements. In the event of a hardware or software change that creates a material risk that the individual will be unable to access or retain documents that were the subject of the initial consent, the individual must be provided with information concerning the revised hardware or software, and an opportunity to withdraw a prior consent.
