Narrow Woven Ribbon With Woven Selvedge From the People's Republic of China: Preliminary Results of Administrative Review and Preliminary Partial Rescission of Antidumping Duty Administrative Review; 2015–2016

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Department) is conducting an administrative review of the antidumping duty order on narrow woven ribbons with woven selvedge

“Sicilian-style” green olives. Sicilian-style olives are large, firm green olives with a natural bitter and savory flavor. This style of olive is produced in small quantities in the United States using a Sevillano variety of olive and harvested green with a firm texture. Sicilian-style olives are processed using a brine-cured method, and undergo a full fermentation in a salt and lactic acid brine for 4 to 9 months. These olives may be sold whole unpitted, pitted, or stuffed.

“Kalamata” olives: Kalamata olives are slightly curved in shape, tender in texture, and purple in color, and have a rich natural tangy and savory flavor. This style of olive is produced in Greece using a Kalamata variety olive. The olives are harvested after they are fully ripened on the tree, and typically use a brine-cured fermentation method over 4 to 9 months in a salt brine.

Other specialty olives in a full range of colors, sizes, and origins, typically fermented in a salt brine for 3 months or more.

(woven ribbons) from the People's Republic of China (PRC) for the period of review (POR) September 1, 2015 through August 31, 2016. This review covers two PRC companies: Huzhou Kingdom Coating Industry Co., Ltd. (Huzhou Kingdom) and Huzhou Unifull Label Fabric Co., Ltd. (Huzhou Unifull). The Department preliminarily finds that neither Huzhou Unifull nor Huzhou Kingdom established eligibility for a separate rate, as Huzhou Unifull had no entries of subject merchandise during the POR and Huzhou Kingdom failed to participate in the proceeding. Furthermore, the Department is rescinding administrative review with respect to Huzhou BeiHeng Textile Co., Ltd. (Huzhou BeiHeng) and Huzhou Siny Label Material Co., Ltd. (Huzhou Siny). Interested parties are invited to comment on these preliminary results.

DATES: Applicable July 19, 2017.

Methodology

The Department is conducting this review in accordance with section 751(a)(1)(B) of the Tariff Act of 1930, as amended (the Act). For a full description of the methodology underlying our conclusions, see Preliminary Decision Memorandum. This memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov> and in the Central Records Unit, room B8024 of the main Department of Commerce building. In addition, a complete version of the Preliminary Results Decision Memorandum can be accessed directly on the Internet at <http://enforcement.trade.gov/frn/index.html>. The signed Preliminary Results Decision Memorandum and the electronic versions of the Preliminary Decision Memorandum are identical in content.

Preliminary Results of Review

The Department preliminarily finds that both Huzhou Kingdom and Huzhou Unifull have failed to demonstrate eligibility for a separate rate and, therefore, they are considered part of the PRC-wide entity. The Department finds that Huzhou Kingdom did not submit a certification of no sales, a separate rate application, or a separate rate certification. With respect to Huzhou Unifull, the Department preliminarily finds there are no reviewable entries during the POR and, thus, Huzhou Unifull has failed to demonstrate eligibility for a separate rate. Both Avery Dennison and Huzhou Unifull submitted the same CBP Form 7501 to indicate an entry of subject merchandise by Huzhou Unifull. However, after examination, the Department determines that the CBP Form 7501 does not correspond to a sale by Huzhou Unifull and as such, found there are no reviewable entries of subject merchandise during the POR.¹⁰

Partial Rescission of Antidumping Duty Administrative Review

Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an administrative review, in whole or in part, if a party that requested the review withdraws its request within 90 days of

the date of publication of the notice of initiation of the requested review. Huzhou BeiHeng and Huzhou Siny withdrew their respective requests for an administrative review within 90 days of the date of publication of *Initiation Notice*.¹¹ Accordingly, the Department is rescinding this review with respect to Huzhou BeiHeng and Huzhou Siny, in accordance with 19 CFR 351.213(d)(1).¹²

Disclosure and Public Comment

Interested parties are invited to comment on the preliminary results and may submit case briefs and/or written comments, filed electronically using ACCESS, within 30 days of the date of publication of this notice, pursuant to 19 CFR 351.309(c)(1)(ii). Rebuttal briefs, limited to issues raised in the case briefs, will be due five days after the due date for case briefs, pursuant to 19 CFR 351.309(d). Parties who submit case or rebuttal briefs in this proceeding are requested to submit with each argument a statement of the issue, a summary of the argument not to exceed five pages, and a table of statutes, regulations, and cases cited, in accordance with 19 CFR 351.309(c)(2) and (d)(2).

Pursuant to 19 CFR 351.310(c), interested parties, who wish to request a hearing, or to participate in a hearing if one is requested, must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, filed electronically using ACCESS. Electronically filed case briefs/written comments and hearing requests must be received successfully in their entirety by the Department's electronic records system, ACCESS, by 5:00 p.m. Eastern Standard Time, within 30 days after the date of publication of this notice.¹³ Hearing requests should contain: (1) The party's name, address and telephone number; (2) the number of participants; and (3) a list of issues to

¹² See Appendix. As stated in *Change in Practice in NME Reviews*, the Department no longer considers the non-market economy (NME) entity as an exporter conditionally subject to administrative reviews. See *Antidumping Proceedings: Announcement of Change in Department Practice for Respondent Selection in Antidumping Duty Proceedings and Conditional Review of the Nonmarket Economy Entity in NME Antidumping Duty Proceedings*, 78 FR 65963 (November 4, 2013) (*Change in Practice in NME Reviews*). The PRC-wide entity is not subject to this administrative review because no interested party requested a review of the entity. See *Initiation Notice*, 81 FR at 78778 (November 9, 2016).

be discussed. Issues raised in the hearing will be limited to those issues raised in the respective case briefs. If a request for a hearing is made, parties will be notified of the time and date of the hearing which will be held at the U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington DC 20230. Unless the deadline is extended pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2), the Department intends to issue the final results of this administrative review, including the results of its analysis of the issues raised in any written briefs, not later than 120 days after the date of publication of this notice, pursuant to section 751(a)(3)(A) of the Act.

Assessment Rates

Upon issuance of the final results, the Department will determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review.¹⁴ The Department intends to issue assessment instructions to CBP 15 days after the publication date of the final results of this review. For the companies for which this review is rescinded, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions directly to CBP 15 days after publication of this notice.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of review, as provided by section 751(a)(2)(C) of the Act: (1) For exports of merchandise exported by Huzhou Kingdom, the cash deposit rate is the PRC-wide rate of 247.26 percent; (2) for exports of merchandise exported by Huzhou Unifull, the cash deposit rate is the PRC-wide rate of 247.26; (3) for previously investigated or reviewed PRC and non-PRC exporters which are not under review in this segment of the proceeding but which have separate rates, the cash deposit rate will continue to be the exporter-specific rate published for the most recent period; (4) for all PRC exporters of subject merchandise that

Operations, performing the non-exclusive functions and duties of the Assistant Secretary for Enforcement and Compliance ("Preliminary Decision Memorandum"), dated concurrently with this notice.

¹⁰ See Preliminary Decision Memo.

have not been found to be entitled to a separate rate, the cash deposit rate will be the PRC-wide rate of 247.26 percent; and (5) for all non-PRC exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the PRC exporter(s) that supplied that non-PRC exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.213.

Dated: July 12, 2017.

Emulsion Styrene-Butadiene Rubber From Poland: Final Affirmative Determination of Sales at Less Than Fair Value

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) determines that

emulsion styrene-butadiene rubber (ESB rubber) from Poland is being, or is likely to be, sold in the United States at less than fair value (LTFV). The period of investigation (POI) is July 1, 2015, through June 30, 2016.

DATES: July 19, 2017.

FOR FURTHER INFORMATION CONTACT: Stephen Bailey, AD/CVD Operations, Office IV, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-0193.

SUPPLEMENTARY INFORMATION:

Background

On February 24, 2017, the Department published the *Preliminary Determination* of this antidumping LTFV investigation, as provided by Section 735 of the Tariff Act of 1930, as amended (Act), in which the Department found that ESB rubber from Poland was sold at LTFV.¹ A summary of the events that occurred since the Department published the *Preliminary Determination*, as well as a full discussion of the issues raised by interested parties for this final determination, may be found in the Issues and Decision Memorandum.² The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>, and it is available to all parties in the Central Records Unit, Room B-8024 of the main Department of Commerce building. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at <http://enforcement.trade.gov/frn/>.

Scope of the Investigation

The product covered by this investigation is ESB rubber from Poland. For a complete description of the scope of this investigation, see Appendix I.

¹ See *Emulsion Styrene-Butadiene Rubber from Poland: Preliminary Affirmative Determination of Sales at Less Than Fair Value, Postponement of Final Determination, and Extension of Provisional Measures*, 82 FR 11531 (February 24, 2017), and accompanying Preliminary Decision Memorandum (collectively, *Preliminary Determination*).

² See Memorandum, "Issues and Decision Memorandum for the Final Affirmative Determination in the Less Than Fair Value Investigation of Emulsion Styrene-Butadiene Rubber from Poland," dated concurrently with, and hereby adopted by, this notice (Issues and Decision Memorandum).

Scope Comments

No interested party commented on the scope of the investigation as it appeared in the *Initiation Notice*.³ Therefore, the scope of this investigation remains unchanged for this final determination.

Verification

As provided in section 782(i) of the Act, in February, March, and April 2017, the Department conducted verification of the information reported by the mandatory respondent Synthos Dwory (Synthos), for use in the Department's final determination. The Department used standard verification procedures, including an examination of relevant accounting and production records, and original source documents provided by the respondent.⁴

Analysis of Comments Received

The issues raised in the case brief that was submitted by petitioners⁵ in this investigation are addressed in the Issues and Decision Memorandum. A list of these issues is attached to this notice as Appendix II. Based on our analysis of the comments received and our findings at verification, we made no changes to the margin calculation for Synthos.

All-Others Rate

Section 735(c)(5)(A) of the Act provides that in the final determination the Department shall determine an estimated all-others rate for all exporters and producers not individually examined. This rate shall be an amount equal to the weighted-average of the estimated weighted-average dumping margins established for exporters and producers individually investigated, excluding any zero and *de minimis* margins, and any margins determined entirely under section 776 of the Act.

For the final determination, the Department calculated an individual estimated weighted-average dumping margin for Synthos, the only individually examined exporter/producer in this investigation. Because the only individually calculated dumping margin is not zero, *de*
