

based on such currency. In addition, NYSE Arca Equities Rule 8.202(g) prohibits an ETP Holder acting as a registered Market Maker in the Shares from being affiliated with a market maker in the applicable foreign currency, options, futures or options on futures on such currency, or any other derivatives based on such currency, unless adequate information barriers are in place, as provided in NYSE Arca Equities Rule 7.26.

The Commission also believes that the Exchange's trading halt rules are reasonably designed to prevent trading in the Shares when transparency is impaired. NYSE Arca Equities Rule 8.202(e)(2) provides that, when the Exchange is the listing market, if the value of the underlying foreign currency or IIV is no longer calculated or available on at least a 15-second delayed basis, the Exchange would consider suspending trading in the Shares.³⁷ NYSE Arca Equities Rule 8.202(e)(2) also provides that the Exchange may seek to delist the Shares in the event the value of the applicable foreign currency or IIV is no longer calculated or available as required.

The Commission further believes that the trading rules and procedures to which the Shares will be subject pursuant to this proposal are consistent with the Act. The Exchange has represented that any securities listed pursuant to this proposal will be deemed equity securities, and subject to existing Exchange rules governing the trading of equity securities.

In support of this proposal, the Exchange has made the following representations:

(1) The Exchange represents that it intends to utilize its existing surveillance procedures applicable to derivative products to monitor trading in the Shares and that such procedures are adequate to properly monitor Exchange trading of the Shares in all trading sessions and to deter and detect violations of Exchange rules. The Exchange may obtain information via ISG from other exchanges who are members or affiliates of ISG. Specifically, the Exchange can obtain such information from Phlx in connection with foreign currency options trading on Phlx and from CME in connection with foreign currency futures trading on CME.

(2) The Exchange represents that if the interruption to the calculation or wide dissemination of the value of the underlying foreign currency or IIV persists past the trading day in which it occurred, the Exchange would halt

trading no later than the beginning of the trading day following the interruption.

(3) Prior to listing and trading the Shares, the Exchange represents that it will inform its ETP Holders in the Bulletin of the special characteristics and risks associated with trading the Shares.

This approval order is based on the Exchange's representations.

The Commission finds good cause for approving this proposal before the thirtieth day after the publication of notice thereof in the **Federal Register**. As noted above, the Commission previously approved the original listing and trading of the Shares on NYSE and the trading of the Shares pursuant to UTP on the Exchange.³⁸ The Commission presently is not aware of any regulatory issue that should cause it to revisit those findings or would preclude the listing and trading of the Shares on the Exchange. Accelerating approval of this proposed rule change would allow the Shares to be listed on the Exchange without undue delay and continuously traded without interruption, to the benefit of investors.

V. Conclusion

It is therefore ordered, pursuant to section 19(b)(2) of the Act,³⁹ that the proposed rule change (SR-NYSEArca-2007-57) be, and it hereby is, approved on an accelerated basis.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.⁴⁰

Deputy Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-56141; File No. SR-Phlx-2007-53]

Self-Regulatory Organizations; Philadelphia Stock Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change as Modified by Amendment No. 1 Thereto Relating to the Extension of a Pilot Program to Quote and Trade Options in Penny Increments

July 24, 2007.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934

(“Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on July 24, 2007, the Philadelphia Stock Exchange, Inc. (“Phlx” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change ascribed in Items I and II below, which Items have been substantially prepared by the Phlx. On July 25, 2007 the Exchange filed Amendment No. 1 to the proposal. The Exchange filed the proposal as a “non-controversial” proposed rule change pursuant to section 19(b)(3)(A) of the Act³ and Rule 19b-4(f)(6) thereunder,⁴ which rendered the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change, as amended, from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to extend a pilot (the “Pilot”) that permits certain options series to be quoted and traded in increments of \$0.01. The text of the proposed rule change is available at Phlx, the Commission's Public Reference Room, and <http://www.phlx.com>.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Phlx included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to continue to permit specified options series to be quoted and traded in increments of \$0.01 by extending the Pilot through September 27, 2007.

³⁹ 15 U.S.C. 78s(b)(2).

⁴⁰ 17 CFR 200.30-3(a)(12).

The Pilot began on January 26, 2007.⁵ All series in options included in the Pilot ("Pilot Options," listed below) trading at a price of less than \$3.00 are currently quoted and traded in minimum increments of \$0.01, and Pilot Options with a price of \$3.00 or higher are currently quoted and traded in minimum increments of \$0.05, except that options overlying the Nasdaq-100 Index Tracking Stock ("QQQQ")⁶ are quoted and traded in minimum increments of \$0.01 for all series regardless of the price. A list of all Pilot Options was communicated to membership via Exchange circular.

The options included in the Pilot are:

Symbol	Underlying security
IWM	Ishares Russell 2000.
QQQQ	QQQQ.
SMH	SemiConductor Hold-ers.
GE	General Electric.
AMD	Advanced Micro De-vices.

INTC	Intel.
CAT	Caterpillar.

Report to the Commission

Phlx Rule 1034(a)(i)(B)(2) required the Exchange to prepare and submit an analytical report ("Report") to the Commission that addressed the impact of the first three months of the Pilot on the quality of the Exchange's markets and option quote traffic and capacity on or before the last day of the fourth month of the Pilot. The Exchange submitted the Report on May 31, 2007,

⁵ See Securities Exchange Act Release No. 55153 (January 23, 2007), 72 FR 4553 (January 31, 2007) (SR-Phlx-2006-74). In that filing, the Exchange also made conforming amendments to various Exchange rules in order to be consistent with the pilot. These conforming changes were also approved on a six-month pilot basis. Therefore, the Exchange is proposing to extend the effective date for these rules through September 27, 2007.

within the timeframe specified in the rule. The Exchange proposes to delete Phlx Rule 1034(a)(i)(B)(2) because it is no longer applicable, and to make a technical numbering change to the rule.

The Exchange anticipates that it will submit further reports as the Pilot continues. The Exchange will amend its rules accordingly.

2. Statutory Basis

The Exchange believes that its proposal is consistent with section 6(b) of the Act⁷ in general, and furthers the objectives of section 6(b)(5) of the Act⁸ in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received by the Exchange.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The proposed rule change has become effective pursuant to section 19(b)(3)(A) of the Act⁹ and Rule 19b-4(f)(6) thereunder,¹⁰ because the foregoing proposed rule does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest.

A proposed rule change filed under Rule 19b-4(f)(6) normally may not become operative prior to 30-days after the date of filing.¹¹ However, Rule 19b-

4(f)(6)(iii) permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest.¹² The Exchange has requested that the Commission waive the 5-day notice requirement and the 30-day operative delay. The Commission believes that waiving the 5-day notice requirement and the 30-day operative delay is consistent with the protection of investors and the public interest because such waiver will ensure continuity of the Exchange's rules and will allow the Pilot to remain in effect without interruption. For these reasons, the Commission designates the proposal to be operative upon filing with the Commission.¹³

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.¹⁴

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

of filing of the proposed rule change, or such shorter time as designated by the Commission.

¹³ For purposes only of waiving the 30-day operative delay, the Commission has considered the proposed rule's impact on efficiency, competition, and capital formation. 15 U.S.C. 78c(f).

¹⁴ For purposes of calculating the 60-day period within which the Commission may summarily abrogate the proposed rule change under section 19(b)(3)(C) of the Act, the Commission considers the period to commence on July 25, 2007, the date on which Phlx submitted Amendment No. 1. subject line if e-mail is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's Internet Web site (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room, 100 F Street, NE., Washington, DC 20549, on official business days between the hours of 10 a.m. and 3 p.m. Copies of the filing also will be available for inspection and copying at the principal office of the Phlx.
