

information noted above by May 27, 2014 to be placed on the list of public speakers for the meeting.

Written Statements: Written statements must be received by May 27, 2014 so that the information may be made available to the Board for consideration. Written statements should be supplied to the Acting DFO in the following formats: One hard copy with original signature and one electronic copy via email. Commenters are requested to provide two versions of each document submitted: one each with and without signatures because only documents without signatures may be published on the GLRI Web page.

Accessibility: For information on access or services for individuals with disabilities, please contact the Acting DFO at the phone number or email address noted above, preferably at least 10 days prior to the meeting, to give EPA as much time as possible to process your request.

Dated: April 15, 2014.

Cameron Davis,

Senior Advisor to the Administrator.

FEDERAL COMMUNICATIONS COMMISSION

Information Collection Being Reviewed by the Federal Communications Commission Under Delegated Authority

AGENCY: Federal Communications Commission.

ACTION: Notice and request for comments.

SUMMARY: As part of its continuing effort to reduce paperwork burdens, and as required by the Paperwork Reduction Act (PRA) of 1995 (44 U.S.C. 3501-3520), the Federal Communications Commission (FCC or the Commission) invites the general public and other Federal agencies to take this opportunity to comment on the following information collection. Comments are requested concerning: Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission's burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated

collection techniques or other forms of information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees.

The FCC may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid Office of Management and Budget (OMB) control number.

DATES: Written PRA comments should be submitted on or before July 7, 2014. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESSES: Direct all PRA comments to Cathy Williams, FCC, via email PRA@fcc.gov <<mailto:PRA@fcc.gov>> and to Cathy.Williams@fcc.gov <<mailto:Cathy.Williams@fcc.gov>>.

FOR FURTHER INFORMATION CONTACT: For additional information about the information collection, contact Cathy Williams at (202) 418-2918.

SUPPLEMENTARY INFORMATION:

OMB Control No.: 3060-0347.

Title: Section 97.311, Spread Spectrum (SS) Emission Types.

Form No.: Not applicable.

Type of Review: Extension of a currently approved collection.

Respondents: Individuals or households.

Number of Respondents and

Responses: 10 respondents; 10 responses.

Estimated Time Per Response: .017 hours (1 minute).

Frequency of Response: Recordkeeping requirement.

Obligation to Respond: Required to obtain and retain benefits. The statutory authority for this collection of information is contained in 47 U.S.C. 154, 303, 151-155 and 301-609.

Total Annual Burden: 1 hour.

Annual Cost Burden: None.

Privacy Act Impact Assessment: Yes.

Nature and Extent of Confidentiality: There is no need for confidentiality with this collection of information.

Needs and Uses: The recordkeeping requirement in Section 97.311 is necessary to document all spread spectrum (ss) transmissions by amateur radio operators. This requirement is necessary so that quick resolution of any harmful interference problems can be achieved and to ensure that the station is operating in accordance with the Communications Act of 1934, as

amended. The information is used by FCC staff during inspections and investigations to ensure compliance with applicable rules, statutes, and treaties. In the absence of this recordkeeping requirement, field inspections and investigations related to the solution of cases of harmful interference would be severely hampered and needlessly prolonged due to the inability to quickly obtain vital information used to demodulate spread spectrum transmissions.

Federal Communications Commission.

Marlene H. Dortch,

Secretary, Office of the Secretary, Office of Managing Director.
