[Docket Nos. ER08–1532–000; ER08–1537–000]

Avista Corporation NorthWestern Corporation; Notice of Filing

September 17, 2008.

Take notice that on September 12, 2008, NorthWestern Corporation—Montana Transmission Function together with Avista Corporation jointly filed a non-conforming long-term service agreement providing for the sale of Dynamic Capacity and Energy Service, Avista Corporation Rate Schedule 499 and NorthWestern Corporation FERC Rate Schedule 258.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211, 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed on or before the comment date. On or before the comment date, it is not necessary to serve motions to intervene or protests on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

This filing is accessible on-line at <http://www.ferc.gov>, using the "eLibrary" link and is available for review in the Commission's Public Reference Room in Washington, DC. There is an "eSubscription" link on the Web site that enables subscribers to receive e-mail notification when a document is added to a subscribed docket(s).
