Please note that the public comment period may end before the time indicated, following the last request for comments.

FOR FURTHER INFORMATION CONTACT:

Christina Berger, 202-701-6354, NSTAC@cisa.dhs.gov.

SUPPLEMENTARY INFORMATION: The NSTAC is established under the authority of Executive Order (E.O.) 12382, dated September 13, 1982, as amended by E.O. 13286 and 14048,

continued under the authority of E.O. 14109, dated September 30, 2023.

Notice of this meeting is given under FACA, 5 U.S.C. ch. 10 (Pub. L. 117-286). The NSTAC advises the President on matters related to national security and emergency preparedness (NS/EP) telecommunications and cybersecurity policy.

Agenda: The NSTAC will meet in an open session on Thursday, December 7, 2023, from 11:30 a.m. to 12:30 p.m. EST to discuss current NSTAC activities and the government's ongoing cybersecurity and NS/EP communications initiatives. This open session will include: (1) a keynote address; and (2) a status update on the Measuring and Incentivizing the Adoption of Cybersecurity Best Practices Study.

The committee will also meet in a closed session from 9:00 to 11:00 a.m. EST during which time: (1) senior government intelligence officials will provide a threat briefing concerning threats to NS/EP communications and (2) engage NSTAC members in follow-on discussion on how future studies can help inform policy to mitigate threats.

Basis for Closure: In accordance with section 10(d) of FACA and 5 U.S.C. 552b(c)(1), *The Government in the Sunshine Act*, it has been determined that a portion of the agenda requires closure.

These agenda items are the: (1) classified threat briefing and discussion, which will provide NSTAC members the opportunity to discuss information concerning threats to NS/EP communications with senior government intelligence officials; and (2) potential NSTAC study topics discussion. The briefing is anticipated to be classified at the top secret/sensitive compartmented information level. Disclosure of these threats during the briefing, as well as vulnerabilities and mitigation techniques, is a risk to the Nation's cybersecurity posture because adversaries could use this information to compromise commercial and government networks. Subjects discussed during the potential study topics discussion are tentative and are under further consideration by the committee.

Therefore, this portion of the meeting is required to be closed pursuant to section 10(d) of FACA and 5 U.S.C. 552b(c)(1) because it will disclose matters that are classified.

Dated: November 9, 2023.

Christina Berger,

Designated Federal Officer, National Security Telecommunications Advisory Committee, Cybersecurity and Infrastructure Security Agency, Department of Homeland Security.

SUPPLEMENTARY INFORMATION: This notice informs the public that HUD is seeking approval from OMB for the information collection described in Section A.

The **Federal Register** notice that solicited public comment on the information collection for a period of 60 days was published on August 30, 2023 at 88 FR 59938.

A. Overview of Information Collection

Title of Information Collection: Single Family Application for Insurance Benefits.

OMB Approval Number: 2502–0429.

Type of Request: Revision of currently approved collection.

Form Numbers: HUD–9539, HUD–27011, HUD–50002, HUD–50012.

Description of the need for the information and proposed use: FHA insurance is an important source of mortgage credit for low and moderate-income borrowers. It is essential that the Federal Housing Administration (FHA) maintain a healthy mortgage insurance fund through premiums charged to the borrower by FHA. Providing policy and guidance to the single family housing mortgage industry regarding changes in FHA’s program is essential to protecting the fund. This information collection is based on the claim activity involving FHA-insured mortgage loan servicing of foreclosed mortgage loans after the foreclosure sale. This is a revision to the currently approved collection due to program activity. With each form, the Public Burden Statement is updated.

Respondents: Business or other for-profit and Individuals or households.

Estimated Number of Respondents: 1,222.

Estimated Number of Responses: 10,062,965.

Frequency of Response: On occasion.

Average Hours per Response: 0.19.

Total Estimated Burdens: 1,885,241.

B. Solicitation of Public Comment

This notice is soliciting comments from members of the public and affected parties concerning the collection of information described in Section A on the following:

(1) Whether the proposed collection of information is necessary for the proper performance of the functions of

the agency, including whether the information will have practical utility;

(2) The accuracy of the agency’s estimate of the burden of the proposed collection of information;

(3) Ways to enhance the quality, utility, and clarity of the information to be collected; and

(4) Ways to minimize the burden of the collection of information on those who are to respond; including through the use of appropriate automated collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

(5) ways to minimize the burden of the collection of information on those who are to respond, including the use of automated collection techniques or other forms of information technology.

HUD encourages interested parties to submit comment in response to these questions.

C. Authority

Section 2 of the Paperwork Reduction Act of 1995, 44 U.S.C. chapter 35.
