

Bars from Turkey; Final Results of the Expedited Sunset Review of the Antidumping Duty Order, 73 FR 24534 (May 5, 2008). The Department notified the ITC of the magnitude of the margins likely to prevail were the antidumping duty order to be revoked.

On December 19, 2008, the ITC determined, pursuant to section 751(c) of the Act, that revocation of this order would not be likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time. *See ITC Final and USITC Publication 4052* (December 2008), titled *Steel Concrete Reinforcing Bar from Turkey* (Inv. No. 701-TA-745 (Second Review)).

Revocation

As a result of the determination by the ITC that revocation of this order is not likely to lead to the continuation or recurrence of material injury to an industry in the United States, the Department, pursuant to section 751(d) of the Act, is revoking the antidumping duty order on rebar from Turkey. Pursuant to section 751(d)(2) of the Act and 19 CFR 351.222(i)(2)(i), the effective date of revocation is March 26, 2008 (*i.e.*, the fifth anniversary of the date of publication in the **Federal Register** of the notice of continuation of this antidumping duty order). The Department will notify U.S. Customs and Border Protection to discontinue suspension of liquidation and collection of cash deposits on entries of the subject merchandise entered or withdrawn from warehouse on or after March 26, 2008, the effective date of revocation of the antidumping duty order. The Department will complete any pending administrative reviews of this order.

This revocation and notice are issued in accordance with section 751(d)(2) of the Act and published pursuant to section 777(i)(1) of the Act and 19 CFR 351.222(i)(2).

Dated: December 24, 2008.
