Title: Indigenous Animals and Harvesting Meat Processing Grant Program for Fiscal Year 2023.

OMB Control Number: 0570-NEW.

Expiration Date of Approval: Three years from date of approval.

Type of Request: New information collection.

Abstract: The Indigenous Animals Harvesting and Meat Processing Grant Program was authorized by section 1001 of the American Rescue Plan (ARP) Act of 2021 (Pub. L. 117-2), which assists U.S. states and territories to build resilience in the middle of the supply chain and strengthen local and regional food systems. The Rural Business-Cooperative Service (RBCS) administers this program, an agency within USDA Rural Development, in partnership with the Agricultural Marketing Service (AMS) and in consultation with the Office of Tribal Relations (OTR).

If successfully selected for an Indigenous Animals Grant award,

respondents are not expected to spend more than 24 hours completing the information required. Grant applicants are required to submit their information via *Grants.gov*. Information collected as part of this one-time grant program, outlined in the RFA, includes the grant narrative (application) and standardized Federal forms (for which information is collected through *Grants.gov*). Once grant recipients are determined, Rural Business Cooperative Service (RBCS) uses the award agreement form as its Notice of Award and Grant Agreement (NOA) as the binding contract with the Federal award recipient. The NOA outlines additional post-award requirements by which award recipients must comply, including Terms and Conditions, Administrative and National Policy Requirements (2 CFR 200.300), performance and financial reporting (AMS requires annual reporting in alignment with 2 CFR 200.329), and final close-out reporting requirements.

The program contain requirements that involve information collection activities, including approved OMB forms in chart below, SAM registration and general certifications, the project RFA, NEPA environmental checklist, organizational documents, Articles of Incorporation, design and construction documents, letters of support, evidence of land ownership, the NICRA, surety, technical services documents, final project and financial state report, project performance reports, inspection reports, and recordkeeping.

Estimate of Burden: Public reporting burden for this collection of information is estimated to average 1.29 hours per response.

Respondents: Indian Tribes.

Estimated Number of Respondents: 50.

Estimated Number of Responses per Respondent: 36.

Estimated Number of Responses: 1801.

Estimated Total Annual Burden Hours on Respondents: 2328.

DEPARTMENT OF COMMERCE

Office of the Secretary

Agency Information Collection Activities; Submission to the Office of Management and Budget (OMB) for Review and Approval; Comment Request; Generic Clearance for the Collection of Qualitative Feedback on Agency Service Delivery

The Department of Commerce will submit the following information collection request to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995, on or after the date of publication of this notice. We invite the general public and other Federal agencies to comment on proposed, and continuing information collections, which helps us assess the impact of our information collection requirements and minimize the public's reporting burden. Public comments were previously requested via the **Federal Register** on December 28, 2022, during a 60-day comment period. This notice allows for an additional 30 days for public comments.

Agency: Office of the Secretary, Department of Commerce.

Title: Generic Clearance for the Collection of Qualitative Feedback on Agency Service Delivery.

OMB Control Number: 0690-0030.

Form Number(s): None.

Type of Request: Regular submission (Extension and revision of a current information collection).

Number of Respondents: 163,500, (updated from 60-day FR Notice).

Average Hours per Response: 14,250, (updated from 60-day FR Notice).

Burden Hours: 42,750, (updated from 60-day FR Notice).

Estimated Total Annual Cost to Public: \$265,188, (updated from 60-day FR Notice).

Needs and Uses: The Office of Security is requesting clearance of this collection to continue gathering information to mitigate variances in foreign access management program implementation and registration information requirements needed to reach risk-based determinations of physical and logical access by foreign national visitors and guests to Commerce facilities and resources. The information collected will be used for risk-based assessments of short-term access or as partial completion towards long term guest research agreements and supporting security and background investigations for potential personal identity credential issuance in compliance with U.S. laws and regulations governing physical and logical access to federal facilities and information resources. Due to the increasing diversity of foreign national participation in departmental programs, considerable efforts have been made to baseline requirements as a means to define uniform program standards as well as to expand current guidance beyond foreign visitor control to manage emerging risks associated with physical and logical access to the Department's facilities and resources.

Affected Public: Individuals or Households, Businesses or for-profit organizations, State, Local or Tribal Government, etc.

Frequency: 5 to 30 minutes for surveys; 1 to 2 hours for focus groups; 30 minutes to 1 hour for interviews.

Respondent's Obligation: Voluntary.

This information collection request may be viewed at www.reginfo.gov. Follow the instructions to view the Department of Commerce collections currently under review by OMB.

Written comments and recommendations for the proposed information collection should be submitted within 30 days of the publication of this notice on the following website www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function and entering either the title of the collection.
