SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-96775; File No. SR-MEMX-2023-02]

Self-Regulatory Organizations; MEMX LLC; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend the Exchange's Fee Schedule To Adopt Market Data Fees

January 30, 2023.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on January 17, 2023, MEMX LLC ("MEMX" or the "Exchange") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange is filing with the Commission a proposed rule change to amend the Exchange's fee schedule applicable to Members³ and non-Members (the "Fee Schedule") pursuant to Exchange Rules 15.1(a) and (c). The Exchange proposes to implement the changes to the Fee Schedule pursuant to this proposal immediately.

The text of the proposed rule change is provided in Exhibit 5.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Background

The purpose of the proposed rule change is to amend the Fee Schedule to adopt fees the Exchange will charge to Members and non-Members for each of its three proprietary market data feeds, namely MEMOIR Depth, MEMOIR Top, and MEMOIR Last Sale (collectively, the "Exchange Data Feeds"). The Exchange is proposing to implement the proposed fees immediately.

The Exchange previously filed the proposal on March 24, 2022 (SR-MEMX-2022-03) (the "Initial Proposal"). The Exchange withdrew the Initial Proposal and replaced the proposal with SR-MEMX-2022-14 (the "Second Proposal"). The Exchange withdrew the Second Proposal and replaced the proposal with SR-MEMX-2022-19 (the "Third Proposal"). The Exchange withdrew the Third Proposal and replaced the proposal with SR-MEMX-2022-28 (the "Fourth Proposal"). The Exchange withdrew the Fourth Proposal and replaced the proposal with SR-MEMX-2022-32 (the "Fifth Proposal"). The Exchange recently withdrew the Fifth Proposal and is replacing it with the current proposal (SR-MEMX-2023-02).

The Exchange notes that it has previously included a cost analysis in connection with the proposed fees for the Exchange Data Feeds, however, the prior cost analysis coupled costs related to operating its trading system, or transaction services, with costs of producing market data. As described more fully below, in the Fifth Proposal and this filing, the Exchange provides an updated cost analysis that focuses solely on costs related to the provision of the Exchange Data Feeds (the "Cost Analysis"). Although the baseline Cost Analysis used to justify the fees was made with the Fifth Proposal, the fees themselves have not changed since the Initial Proposal and the Exchange still proposes fees that are intended to cover the Exchange's cost of producing the Exchange Data Feeds with a reasonable mark-up over those costs. Before setting forth the additional details regarding the proposal as well as the updated Cost Analysis conducted by the Exchange, immediately below is a description of the proposed fees.

Proposed Market Data Pricing

The Exchange offers three separate data feeds to subscribers—MEMOIR
