Abstract: Section 703 of the Higher Education Act of 1965, as amended, authorizes the Secretary to award fellowships under the Jacob K. Javits Fellowship Program for graduate study in the arts, humanities, and social sciences. The fellowships support graduate students of superior ability selected on the basis of demonstrated achievement, exceptional promise and financial need. This information collection provides the U.S. Department of Education with information needed to determine if fellows have made substantial progress toward meeting the program's objectives and allows program staff to monitor and evaluate time-to-degree completion and the graduation rate of Javits fellows. Congress has mandated, through the Government Performance Results Act of 1993, that the U.S. Department of Education provide documentation regarding the progress being made by the program.
