

policies and programs of Federal laws and regulations applicable to public lands. The plan will comply with trail designation regulations (43 CFR part 8340). The planning process shall include an environmental assessment with a biological evaluation prepared in compliance with the National Environmental Policy Act of 1969 (NEPA), the President's Council of Environmental Quality (CEQ) regulations (40 CFR part 1500), and BLM planning regulations (40 CFR part 1600). The Bureau will rely largely on existing route inventory data, information obtained from coordination with other federal, state, and local agencies, and public comments.

Comments, including names and addresses of respondents, will be available for public review at the Redding Field Office during normal working hours (7:45 AM to 4:30 PM, except holidays), and may be published as part of the EA or other related documents. Individuals may request confidentiality. If you wish to withhold your name or address from public review or from disclosure under the Freedom of Information Act, you must state this promptly at the beginning of your comment. Such requests will be honored to the extent allowed by law. All submissions from organizations or businesses will be made available for public inspection in their entirety.

Dated: March 7, 2003.

DEPARTMENT OF JUSTICE

Bureau of Alcohol, Tobacco, Firearms and Explosives

Agency Information Collection Activities: Proposed Collection; Comments Requested

ACTION: 60-Day notice of information collection under review: new collection Advanced Explosives Destruction Techniques (AEDT) training course follow-up evaluation form

The Department of Justice (DOJ), Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF), has submitted the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995. The proposed information collection is published to obtain comments from the public and affected agencies. Comments are encouraged and will be accepted for "sixty days" until August 8, 2003. This process is conducted in accordance with 5 CFR 1320.10.

If you have comments especially on the estimated public burden or associated response time, suggestions, or need a copy of the proposed information collection instrument with instructions or additional information, please contact Joanne Bailey, Learning Systems Management Division, 800 K Street NW., Suite 600, Washington, DC 20001.

Request written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

- (1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including

whether the information will have practical utility;

(2) Evaluate the accuracy of the agencies estimates of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of this information collection:

(1) *Type of Information Collection:* New collection.

(2) *Title of the Form/Collection:* Advanced Explosives Destruction Techniques (AEDT) Training Course Follow-up Evaluation Form.

(3) *Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection:* Form Number: None. Bureau of Alcohol, Tobacco, Firearms and Explosives.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract.* Primary: State, Local, or Tribal Government. Other: None. The information collected on the survey will provide ATF with data on how the training participants have transferred the knowledge and skills learned to their jobs. The Kirkpatrick 4-Level Model is used to evaluate ATF training programs.

(5) An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond: It is estimated that 354 respondents will complete a 12 minute survey.

(6) An estimate of the total public burden (in hours) associated with the collection: There are an estimated 71 annual total burden hours associated with this collection.

If additional information is required contact: Brenda E. Dyer, Deputy Clearance Officer, Information Management and Security Staff, Justice Management Division, Department of Justice, Patrick Henry Building, Suite 1600, 601 D Street NW., Washington, DC 20530.

Dated: June 3, 2003.

Brenda E. Dyer,

Deputy Clearance Officer, Department of Justice.
