DEPARTMENT OF STATE

Bureau for International Narcotics and Law Enforcement Affairs

(Public Notice 3339)

International Demand Reduction Program (IDR)

AGENCY: Office of Europe, NIS, and Training; Bureau for International Narcotics and Law Enforcement Affairs, State

ACTION: Notice.

SUMMARY: State Department's Bureau for International Narcotics and Law Enforcement Affairs (INL) developed the International Demand Reduction program (IDR) in 1978 to assist foreign countries to mobilize public and private sectors in effective support of national narcotic control policies and programs. The program was enhanced in 1990 to assist foreign countries with the development of self-sustaining prevention, education, and treatment programs. The goal of the program is to enhance foreign political determination to combat illegal drug abuse and convince governments to dedicate sufficient resources to effectively fight this problem.

The IDR program has been modified to include the participation of non-Federal agencies (e.g., universities, non profit organizations) in the design and implementation of research and evaluation studies on these programs. This component of the IDR program has a timeframe of 2000-2003.

DATES: Strict deadlines for submission to the FY 2000 process are: Full proposals must be received at INL no later than Friday, July 28. Letters of intent will not be required. We anticipate that review of full proposals will occur during August 2000 and funding should begin during September of 2000 for most approved projects. September 25, 2000 should be used as the proposed start date on proposals, unless otherwise directed by a program manager. Applicants should be notified
