Letters of Authorization To Take Marine Mammals

AGENCY: Fish and Wildlife Service,
 Interior.

ACTION: Notice of Issuance.

SUMMARY: In accordance with the
 Marine Mammal Protection Act of 1972,

as amended (MMPA), the U.S. Fish and
 Wildlife Service (Service, or we), has
 issued letters of authorization for the
 nonlethal take of polar bears and Pacific
 walrus incidental to oil and gas industry
 exploration, development, and
 production activities in the Beaufort Sea
 and the adjacent northern coast of
 Alaska and incidental to oil and gas
 industry exploration activities in the
 Chukchi Sea and the adjacent western
 coast of Alaska. These letters of
 authorization stipulate conditions and
 methods that minimize impacts to polar
 bears and Pacific walrus from these
 activities.

FOR FURTHER INFORMATION CONTACT:

Craig Perham at the U.S. Fish and
 Wildlife Service, Marine Mammals
 Management Office, 1011 East Tudor
 Road, MS 341, Anchorage, AK 99503;
 (800) 362-5148 or (907) 786-3810.

SUPPLEMENTARY INFORMATION: On August
 3, 2011, we published in the **Federal
 Register** a final rule (76 FR 47010)
 establishing regulations that allow us to
 authorize the nonlethal, incidental,
 unintentional take of small numbers of
 polar bears and Pacific walrus during
 year-round oil and gas industry
 exploration, development, and
 production activities in the Beaufort Sea
 and adjacent northern coast of Alaska.
 The rule established subpart J in part 18
 of title 50 of the Code of Federal
 Regulations (CFR) and is effective
 through August 3, 2016. The rule
 prescribed a process under which we
 issue Letters of Authorization (LOAs) to
 applicants conducting activities as
 described under the provisions of the
 regulations.

Each LOA stipulates conditions or
 methods that are specific to the activity
 and location. Holders of LOAs must use
 methods and conduct activities in a
 manner that minimizes to the greatest
 extent practicable adverse impacts on
 Pacific walrus and polar bears, their
 habitat, and on the availability of these
 marine mammals for subsistence
 purposes. Intentional take and lethal
 incidental take is prohibited.

In accordance with section
 101(a)(5)(A) of the MMPA (16 U.S.C.
 1361 et seq.) and our regulations at 50
 CFR 18, subpart J, we issued LOAs to
 each of the following companies in the
 Beaufort Sea and adjacent northern
 coast of Alaska:

Call for Nominations for Advisory Committees

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: The purpose of this notice is to reopen the request for public nominations for certain Bureau of Land Management (BLM) Advisory Committees that have member terms expiring this year. These Advisory Committees provide advice and recommendations to the BLM on land use planning and management of the National System of Public Lands within their respective geographic areas. The Advisory Committees covered by this request for nominations are identified below. The BLM will accept public nominations for 30 days after the publication of this notice.

DATES: All nominations must be received no later than April 29, 2013.

ADDRESSES: See **SUPPLEMENTARY INFORMATION** for the address of respective BLM Offices accepting nominations.

FOR FURTHER INFORMATION CONTACT: Lauren Luckey, U.S. Department of the Interior, Bureau of Land Management, Correspondence, International, and Advisory Committee Office, 1849 C Street NW., MS-MIB 5070, Washington, DC 20240; 202-208-3806.

SUPPLEMENTARY INFORMATION: The Federal Land Policy and Management Act (FLPMA) directs the Secretary of the Interior to involve the public in planning and issues related to management of lands administered by the BLM. Section 309 of FLPMA (43 U.S.C. 1739) directs the Secretary to establish 10- to 15-member citizen-based advisory councils that are consistent with the Federal Advisory Committee Act (FACA). As required by FACA, Resource Advisory Council

(RAC) membership must be balanced and representative of the various interests concerned with the management of the public lands. The rules governing RACs are found at 43 CFR subpart 1784 and include the following three membership categories:

Category One—Holders of Federal grazing permits and representatives of organizations associated with energy and mineral development, timber industry, transportation or rights-of-way, developed outdoor recreation, off-highway vehicle use, and commercial recreation;

Category Two—Representatives of nationally or regionally recognized environmental organizations, archaeological and historic organizations, dispersed recreation activities, and wild horse and burro organizations; and

Category Three—Representatives of State, county, or local elected office, employees of a State agency responsible for management of natural resources, representatives of Indian tribes within or adjacent to the area for which the council is organized, representatives of academia who are employed in natural sciences, and the public-at-large.

Individuals may nominate themselves or others. Nominees must be residents of the State in which the RAC has jurisdiction. The BLM will evaluate nominees based on their education, training, experience, and knowledge of the geographical area of the RAC. Nominees should demonstrate a commitment to collaborative resource decision-making. The Obama Administration prohibits individuals who are currently federally registered lobbyists from being appointed or re-appointed to FACA and non-FACA boards, committees, or councils.

This request for public nominations also applies to the Steens Mountain Advisory Council (SMAC) in Oregon established pursuant to Section 131 of the Steens Mountain Cooperative Management and Protection Act of 2000. The SMAC advises the Secretary of the Interior in managing the Steens Mountain Cooperative Management and Protection Area. Nominations are requested for the positions of Burns Paiute Tribe member and the State of Oregon liaison.

The following must accompany all nominations for the RACs and SMAC:

- Letters of reference from represented interests or organizations;
- A completed Resource Advisory Council application; and
- Any other information that addresses the nominee's qualifications.

Simultaneous with this notice, BLM state offices will issue press releases providing additional information for submitting nominations, with specifics about the number and categories of member positions available for each RAC in the state and the Steens Mountain Advisory Council in Oregon.
