Administration

Proposed Collection; Comment
Request

ACTION: Notice.

SUMMARY: The Department of Labor, as part of its continuing effort to reduce paperwork and respondent burden conducts a preclearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95) (44 U.S.C. 3506(c)(2)(A)). This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. Currently, the Employment and Training Administration is soliciting comments concerning the proposed extension of the collection of the State Income and Eligibility Verification provisions of the Deficit Reduction Act. A copy of the proposed information collection request (ICR) can be obtained by contacting the office listed below in the addressee section of this notice.

DATES: Written comments must be submitted to the office listed in the

addressee section below on or before January 2, 2001.

ADDRESSES: Lorenzo Roberts, Office of Workforce Security, 200 Constitution Ave. N.W., Room S-4231 Frances Perkins Building, Washington, D.C. 20210; telephone 202-219-5616, ext. 175; FAX 202-219-8506 (these are not toll-free numbers).

SUPPLEMENTARY INFORMATION:

I. Background

The Deficit Reduction Act of 1984 established an income and eligibility verification system for the exchange of information among State agencies administering specific programs. The programs are: Aid to Families with Dependent Children, Medicaid, Food Stamps, Supplemental Security Income, Unemployment Compensation and any State program approved under Title I, X, XIV, or XVI of the Social Security Act. Under the Act, programs participating must exchange information to the extent it is useful and productive in verifying eligibility and benefit amounts to assist in the child support program and the Secretary of Health and Human Services in verifying eligibility and benefit amounts under Titles II and XVI of the Social Security Act.

II. Review Focus

The Department of Labor is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including

whether the information will have practical utility;

- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

III. Current Actions

As the only continuous source of information on the Income and Eligibility program, the data is required to monitor and evaluate that program.

NUCLEAR REGULATORY COMMISSION

[Docket Nos. STN 50-528, STN 50-529, and STN 50-530]

Arizona Public Service Company, et al. Palo Verde Nuclear Generating Station, Units 1, 2, and 3; Notice of Consideration of Approval of Application Regarding Proposed Corporate Restructuring of El Paso Electric Company and Conforming Amendments, and Opportunity for a Hearing

The U.S. Nuclear Regulatory Commission (the Commission) is considering the issuance of an order under 10 CFR 50.80 approving the indirect transfer of Facility Operating Licenses Nos. NPF-41, NPF-51, and NPF-74 for the Palo Verde Nuclear Generating Station (Palo Verde), Units 1, 2, and 3, respectively, to the extent held by El Paso Electric Company (EPE), one of seven joint owners or lessees of Palo Verde. The indirect transfers would occur in connection with a proposed corporate restructuring of EPE. The Commission is also considering approving conforming license amendments to reflect the proposed renaming of EPE, which is part of the restructuring plan for EPE. The facility is located in Maricopa County, Arizona.

According to a July 6, 2000, application filed by EPE, which was supplemented by a letter dated July 7, 2000, submitted by counsel for EPE, and a conforming amendment application dated October 3, 2000, submitted by Arizona Public Service Company, the licensed operator of Palo Verde, the proposed indirect transfers of the Palo Verde licenses as held by EPE would be to a newly created holding company, El Paso Electric Incorporated. El Paso Electric Incorporated will be created to implement the public utility restructuring requirements of the New Mexico Electric Utility Industry Restructuring Act of 1999, SB 428, NMSA 1978, §§ 62-3A-1 through 23 (1999) (the "Restructuring Act"). The proposed restructuring encompasses the formation of El Paso Electric Incorporated, EPE becoming a direct subsidiary of El Paso Electric Incorporated, and a change in EPE's name to MiraSol Generating Company. Also, EPE will transfer its transmission and distribution assets to a new transmission and distribution company.

Arizona Public Service Company would remain as the managing agent for the joint owners or lessees of the facility and would continue to have exclusive responsibility for the management, operation, and maintenance of Palo
