

consider whether any additional amendments are necessary to the non-cash compensation provisions of Rule 2810 in the context of that rulemaking initiative.

e. Effective Date of the Proposed Rule Change

NASD will announce the effective date of the proposed rule change in a Notice to Members to be published no later than 60 days following Commission approval. The effective date will be 30 days following publication of the Notice to Members announcing Commission approval.

2. Statutory Basis

NASD believes that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Act, which requires, among other things, that NASD's rules must be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest. Specifically, NASD believes that the proposed rule change amends Rule 2810 to provide greater clarity regarding limitations on compensation, fees, and expenses in public offerings of REITs and DPPs.

B. Self-Regulatory Organization's Statement on Burden on Competition

NASD does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The proposed rule change was published for comment in NASD Notice to Members 04-07 (February 2004). Ten comments were received in response to the Notice.²³ All of the comment letters received were generally in favor of the proposed rule change, and are further discussed in Item II of this notice.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory

organization consents, the Commission will:

(A) By order approve such proposed rule change, or

(B) Institute proceedings to determine whether the proposed rule change should be disapproved.
