DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Consent Decree Under the Clean Air Act

On March 31, 2023, the Department of Justice lodged a proposed Consent Decree with the United States District Court for the Central District of Illinois in the lawsuit entitled *United States v. River City Diesel LLC et al.*, Civil Action No. 1:22-cv-01289-JES-JEH.

The proposed Consent Decree resolves claims in the Complaint, filed on August 30, 2022, in this matter which sought injunctive relief and civil penalties for violations of Title II of the Clean Air Act by River City Diesel, LLC ("RCD"), RCD Performance, LLC ("RCDP"), Midwest Truck and 4WD Center, LLC ("Midwest Truck"), and Joshua L. Davis (collectively, "Defendants"). The alleged violations relate to the manufacture, sale, and installation of aftermarket products for motor vehicles or motor vehicle engines and for tampering with motor vehicles and motor vehicle engines. The Complaint also alleged fraudulent transfers intended to avoid a debt of the United States in violation of the Federal Debt Collection Procedures Act. 28 U.S.C. 3304(b)(2); 28 U.S.C. 3304(b)(1)(A). The proposed Consent Decree requires injunctive relief and payment of a civil penalty of \$600,000, which is based on Defendants' financial situation, to be made in two equal payments.

The publication of this notice opens a period for public comment on the proposed Consent Decree. Comments should be addressed to the Assistant Attorney General of the Environment and Natural Resources Division, Todd Kim, and should refer to *United States v. River City Diesel LLC et al.*, D.J. Ref. No. 90-5-2-1-12233. All comments must be submitted no later than thirty (30) days after the publication date of this notice. Comments may be submitted either by email or by mail:

DEPARTMENT OF LABOR

Agency Information Collection Activities; Submission for OMB Review; Comment Request; Standard on Process Safety Management of Highly Hazardous Chemicals

ACTION: Notice of availability; request for comments.

SUMMARY: The Department of Labor (DOL) is submitting this Occupational Safety & Health Administration (OSHA)-sponsored information collection request (ICR) to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995 (PRA). Public comments on the ICR are invited.

DATES: The OMB will consider all written comments that the agency receives on or before May 8, 2023.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function.

Comments are invited on: (1) whether the collection of information is necessary for the proper performance of the functions of the Department, including whether the information will have practical utility; (2) the accuracy of the agency's estimates of the burden and cost of the collection of information, including the validity of the methodology and assumptions used; (3) ways to enhance the quality, utility and clarity of the information collection; and (4) ways to minimize the burden of the collection of information on those who are to respond, including the use of automated collection techniques or other forms of information technology.

FOR FURTHER INFORMATION CONTACT:

Nicole Bouchet by telephone at 202-693-0213, or by email at DOL_PRA_PUBLIC@dol.gov.

SUPPLEMENTARY INFORMATION: The Standard on Process Safety Management of Highly Hazardous Chemicals ensures that employers collect the information necessary to control and reduce injuries and fatalities in workplaces that have the potential for highly hazardous chemical catastrophes. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on January 30, 2023 (88 FR 5923).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid OMB Control Number. See 5 CFR 1320.5(a) and 1320.6.

DOL seeks PRA authorization for this information collection for three (3) years. OMB authorization for an ICR cannot be for more than three (3) years without renewal. The DOL notes that information collection requirements submitted to the OMB for existing ICRs
