**Notes:**

<sup>1</sup> The external costs of complying with Form 13F can vary among filers; some filers use third-party vendors for a range of services in connection with filing reports on Form 13F, while other filers use vendors for more limited purposes such as providing more user-friendly versions of the list of section 13(f) Securities. For purposes of the PRA, we estimate that each filer will spend an average of \$300 on vendor services each year in connection with the filer's four quarterly reports on Form 13F–HR (13F Holdings or Combination Report) or Form 13F–NT (13F Notice), as applicable, in addition to the estimated vendor costs associated with any amendments; in addition, some filers engage outside legal services in connection with the preparation of requests for confidential treatment or analyses regarding possible requests, or in connection with the form's disclosure requirements; for purposes of the PRA, we estimate that each manager filing reports on Form 13F–HR will incur \$584 for one hour of outside legal services each year. The Commission's estimates of the relevant wage rates for external time costs, such as outside legal services, take into account staff experience, a variety of sources including general information websites, and adjustments for inflation.

<sup>2</sup> This estimated burden is from Securities Industry and Financial Markets Association's Management & Professional Earnings in the Securities Industry 2013, modified by Commission staff to account for an 1800-hour work-year and inflation, and multiplied by 5.35 to account for bonuses, firm size, employee benefits and overhead ("SIFMA Wage Report"); the wage rate reflects current estimates from the SIFMA Wage Report of the blended hourly rate for a compliance attorney (\$449), senior programmer (\$408), and compliance clerk (\$86) (( $\$449 + \$408 + \$86$ )/3 = \$314.33).

<sup>3</sup> This includes an estimated \$300 paid to a third-party vendor in connection with the Form 13F–HR filing as well as an estimated \$584 for one hour of outside legal services (\$884/4 filings per year = \$221 per filing). We estimate that Form 13F–HR filers will require some level of external legal counsel in connection with these filings.

<sup>4</sup> This estimate is based on the number of 13F–HR filings averaged over three years as of December 2024.

<sup>5</sup> This estimate is based on the number of Form 13F–NT filings averaged over three years as of December 2024.

<sup>6</sup> The wage rate reflects current estimates from the SIFMA Wage Report of the blended hourly rate for a senior programmer (\$408) and compliance clerk (\$86) (( $\$408 + \$86$ )/2 = \$247).

<sup>7</sup> This includes an estimated \$300 paid to a third-party vendor in connection with the Form 13F–NT filing and Form 13F amendments (\$300/4 filings per year = \$75 per filing).

<sup>8</sup> This estimate is based on the number of Form 13F amendments filed averaged over three years as of December 2024.
