

meeting via conference call/webinar that will cover initial ground rules of the peer review, overview of the peer review charge and overview of draft documents provided to the peer reviewers. The date, time, and access code for this conference call/webinar will be available on the same registration Web site.

Following the initial conference call/webinar, a 2-day panel meeting will be held on January 13 and 14, 2015, in the Washington, DC area. Specific details regarding the meeting location, registration for personal or electronic attendance, and presentation of comments will be posted on Versar's Web site (<https://peerreview.versar.com/epa/lead>).

#### V. Proposed List of Peer Reviewers

EPA requests that no individual or organization contact in any way its contractor or the subcontractor panel members regarding the subject of the peer review meeting, send contractor written materials regarding the subject of the meeting, or make any offers or requests to any of them that appear to be linked to their participation in the peer review. The contractor shall direct the panel members to report any such contacts, who will take appropriate action in consultation with EPA to ensure the independence and impartiality of the peer review.

Following are the names and professional affiliations of the current candidates being considered for the external peer review of the draft documents. A biosketch for the proposed peer reviewers will be posted in the docket (docket ID number EPA-HQ-OPPT-2010-0173) and on Versar's Web site (<https://peerreview.versar.com/epa/lead>). Versar will select peer reviewers who, collectively, best provide expertise spanning the multiple required areas of expertise listed Unit III. and, to the extent feasible, best provide a balance of perspectives.
