

this rule under that Order and have determined that this rule does not have implications for federalism.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 or more in any one year. Though this rule does not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

Taking of Private Property

This rule does not affect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children From Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and will not create an environmental risk to health or risk to safety that might disproportionately affect children.

Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination With Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

Energy Effects

We have analyzed this rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a “significant energy action” under that order because it is not a “significant regulatory action” under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of

energy. The Administrator of the Office of Information and Regulatory Affairs has not designated it as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

Environment

We have analyzed this rule under Commandant Instruction M16475.1D, which guides the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA)(42 U.S.C. 4321–4370f), and have concluded that there are no factors in this case that would limit the use of a categorical exclusion under section 2.B.2 of the Instruction. Therefore, this rule is categorically excluded, under figure 2–1, paragraph (34)(g), of the Instruction, from further environmental documentation.

BILLING CODE 4910–15–P

DEPARTMENT OF VETERANS AFFAIRS

38 CFR Part 4

RIN 2900–AJ60

Schedule for Rating Disabilities; The Spine; Correction

AGENCY: Department of Veterans Affairs.

ACTION: Final rule; correction.

SUMMARY: In a document published in the **Federal Register** on August 27, 2003 (68 FR 51454), we amended a portion of the Department of Veterans Affairs (VA) Schedule for Rating Disabilities that addresses the spine. The document inadvertently omitted text that previously appeared in the table of the proposed rule published in the **Federal Register** on September 4, 2002 (67 FR 56509). This document corrects that omission by reinserting the two missing notes (pertaining to code 5243) into the table.

DATES: *Effective Date:* This correction is effective September 26, 2003.

FOR FURTHER INFORMATION CONTACT:

Audrey Tomlinson, Medical Officer, Policy and Regulations Staff (211B), Compensation and Pension Service, Veterans Benefits Administration, Department of Veterans Affairs, 810 Vermont Avenue NW., Washington, DC 20420, (202) 273–7230.

SUPPLEMENTARY INFORMATION: A final rule, RIN 2900–AJ60; Schedule for Rating Disabilities; The Spine, was published on August 27, 2003 (68 FR 51454) (to be codified at 38 CFR 4.71a). Two notes that provide guidance with regard to rating intervertebral disc syndrome (diagnostic code 5243) that were published in the proposed rule in the **Federal Register** on September 4, 2002, (67 FR 56509) were inadvertently omitted from the final rule. As noted in the proposed rule, the amendments made editorial changes to the evaluation criteria for intervertebral disc syndrome to make them compatible with the new

general rating formula and did not represent any substantive change.

Administrative Procedure Act

The change that this final rule makes merely corrects the omission of two notes ("Note (1)" and "Note (2)") from the Spine Table. Accordingly, there is good cause for dispensing with the notice and comment and delayed effective date provisions of 5 U.S.C. 552 and 553.

■ For the reasons set out in the preamble, 38 CFR part 4, subpart B, is amended as set forth below:

Subpart B—[Amended]

■ 1. The authority citation for part 4 continues to read as follows:

Authority: 38 U.S.C. 1155, unless otherwise noted.

■ 2. In § 4.71a, the table titled "The Spine" is amended by adding Notes 1 and 2 at the end of the entries under the heading "Formula for Rating Intervertebral Disc Syndrome Based on Incapacitating Episodes" to read as follows:

§ 4.71a Schedule of ratings— musculoskeletal system.

* * * * *

Note (1): For purposes of evaluations under diagnostic code 5243, an incapacitating episode is a period of acute signs and symptoms due to intervertebral disc syndrome that requires bed rest prescribed by a physician and treatment by a physician.

Note (2): If intervertebral disc syndrome is present in more than one spinal segment, provided that the effects in each spinal segment are clearly distinct, evaluate each segment on the basis of incapacitating episodes or under the General Rating Formula for Diseases and Injuries of the Spine, whichever method results in a higher evaluation for that segment.

Director, Regulations Management.
