INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 731-TA-1131-1134 (Final)]

Polyethylene Terephthalate Film, Sheet, and Strip From Brazil, China, Thailand, and the United Arab Emirates; Determinations

On the basis of the record¹ developed in the subject investigations, the United States International Trade Commission (Commission) determines, pursuant to section 735(b) of the Tariff Act of 1930 (19 U.S.C. 1673d(b)) (the Act), that an industry in the United States is threatened with material injury by reason of imports from Brazil, China, and the United Arab Emirates ("UAE") of polyethylene terephthalate film, sheet, and strip ("PET film"), provided for in subheading 3920.62.00 of the Harmonized Tariff Schedule of the United States, that have been found by the Department of Commerce ("Commerce") to be sold in the United States at less than fair value ("LTFV").² In addition, the Commission determines that it would not have found material injury but for the suspension of liquidation.

The Commission further determines that an industry in the United States is not materially injured or threatened with material injury, and the establishment of an industry in the United States is not materially retarded by reason of imports from Thailand of PET film that have been found by Commerce to be sold in the United States at LTFV.²

Background

The Commission instituted this investigation effective September 28, 2007, following receipt of a petition filed with the Commission and Commerce by DuPont Teijin Films, Hopewell, VA; Mitsubishi Polyester Film of America, Greer, SC; SKC America, Inc., Covington, GA; and Toray Plastics (America), Inc., North Kingston, RI. The final phase of the investigations was scheduled by the Commission following notification of a preliminary determination by Commerce that imports of polyethylene terephthalate from Brazil, China, Thailand, and the UAE were being sold at LTFV within the meaning of section

¹ The record is defined in Sec. 207.2(f) of the Commission's Rules of Practice and Procedure (19 CFR 207.2(f)).

² Commissioner Charlotte R. Lane determines that an industry in the United States is materially injured by reason of imports of PET film from Brazil, China, Thailand, and the United Arab Emirates.
