Item I—Violations of Arms Control Treaties or Agreements With the United States (FAR Case 2017–018)

This final rule adopts as final with changes, an interim rule published on June 15, 2018. The interim rule amended the FAR to implement 22 U.S.C. 2593e, as added by section 1290 of the National Defense Authorization Act for Fiscal Year 2017 (Pub. L. 114–328). The final rule makes technical edits clarifying the suspension and debarment remedies for determination of a false certification pursuant to 22 U.S.C. 2593e, and other minor edits.

Item II—Lowest Price Technically Acceptable Source Selection Process (FAR Case 2018–016)

This final rule amends the FAR to implement section 880 of the John S. McCain National Defense Authorization Act for Fiscal Year 2019. Specifically, this rule amends: (1) FAR part 15 to specify the criteria that must be met in order to include lowest price technically acceptable (LPTA) source selection criteria in a solicitation, and require solicitations predominantly for the acquisition of certain services and supplies to avoid the use of LPTA source selection criteria, to the maximum extent practicable; and (2) FAR parts 12, 13, 16, and 37 to point to the text in FAR part 15, as applicable.

Item III—Individual Sureties (FAR Case 2017–003)

This final rule changes the kind of assets that an individual surety must pledge as security for an individual

surety bond. A pledge of assets must consist only of eligible obligations, *i.e.*, public debt obligations of the United States Government. The rule implements section 874 of the National Defense Authorization Act for Fiscal Year 2016 (Pub. L. 114–92), codified at 31 U.S.C. 9310, Individual Sureties.

This final rule will not have a significant economic impact on a substantial number of small entities.
