Board of Scientific Counselors, National Center for Injury Prevention and Control, (BSC, NCIPC)

In accordance with Section 10(a)(2) of the Federal Advisory Committee Act (Pub. L. 92-463), the Centers for Disease Control and Prevention (CDC) announces, the following meeting of the aforementioned committee:

Time and Date: 8:30 a.m.–4:30 p.m. Eastern Time, November 15, 2013.

Place: Teleconference.

Status: The meeting is open to the public; the toll free dial in number is 1-877-937-9818 and the passcode is 7551384.

Purpose: The board makes recommendations regarding policies, strategies, objectives, and priorities, and reviews progress toward injury prevention goals and provides evidence in injury prevention-related research and programs. The board provides advice on the appropriate balance of intramural and extramural research, and provides advice on the structure, progress and performance of intramural programs. The Board of Scientific Counselors is also designed to provide guidance on extramural scientific program matters, including the: (1) Review of extramural research concepts for funding opportunity announcements; (2) conduct of Secondary Peer Review of extramural research grants, cooperative agreements, and contracts applications received in response to the funding opportunity announcements as it relates to the Center's programmatic balance and mission; (3) submission of secondary review recommendations to the Center Director of applications to be considered for funding support; (4) review of research portfolios, and (5) review of program proposals. The board shall provide guidance on the National Center of Injury Prevention and Control's programs and research activities by conducting scientific peer review of intramural research and programs within the National Center for Injury Prevention and Control; by ensuring adherence to Office of Management and Budget requirements for intramural peer review; and by monitoring the overall direction, focus, and success of the National Center for Injury Prevention and Control.

Matters to be Discussed: The BSC, NCIPC will discuss the recommendations provided by the expert panel on the Health

Communication Portfolio Review that has been conducted and to discuss research strategies needed to guide the Center's focus. The BSC members will also discuss potential topics for the upcoming Portfolio Review. There will be 15 minutes allotted for public comments at the end of the open session.

Agenda items are subject to change as priorities dictate.

SUPPLEMENTARY INFORMATION: FDA is requesting nominations for voting members on the Tobacco Products Scientific Advisory Committee. Elsewhere in this issue of the **Federal Register**, FDA is publishing a separate document announcing the Request for Nominations for Nonvoting Industry Representatives on the Tobacco Products Scientific Advisory Committee.

I. General Description of the Committee Duties

The Tobacco Products Scientific Advisory Committee advises the Commissioner or designee in discharging responsibilities as they relate to the regulation of tobacco products. The Committee reviews and evaluates safety, dependence, and health issues relating to tobacco products and provides appropriate advice, information, and recommendations to the Commissioner of Food and Drugs.

II. Criteria for Voting Members

The Committee shall consist of 12 members including the Chair. Members and the Chair are selected by the Commissioner or designee from among individuals knowledgeable in the fields of medicine, medical ethics, science, or technology involving the manufacture, evaluation, or use of tobacco products. Members will be invited to serve for overlapping terms of up to 4 years. Almost all non-Federal members of this committee serve as Special Government Employees. The Committee shall include nine technically qualified voting members, selected by the Commissioner or designee. The nine voting members shall be physicians, dentists, scientists, or health care professionals practicing in the area of oncology, pulmonology, cardiology,
