Abstract: Congress passed legislation specifically addressing oil and gas leasing on Osage lands and requiring Secretarial approval of leases. See 34 Stat. 543, section 3, as amended. The oil, gas, and land are assets that the United States holds in trust or restricted status for Indian beneficiaries. The information collections in 25 CFR 226 are necessary to ensure that the beneficial owners of the mineral rights are provided the royalties due them, ensure that the oil and gas trust assets are protected, and to ensure that the surface estate assets are protected.
