

DEPARTMENT OF TRANSPORTATION**Federal Highway Administration****Notice of Final Federal Agency Actions on Proposed Highway in California**

AGENCY: Federal Highway Administration (FHWA), Department of Transportation (DOT).

ACTION: Notice of Limitation on Claims for Judicial Review of Actions by the California Department of Transportation (Caltrans).

SUMMARY: The FHWA, on behalf of Caltrans, is issuing this notice to announce actions taken by Caltrans, that are final. The actions relate to a proposed highway project, replacement of Shoemaker Bridge at State Route 710 at the Los Angeles River in the City of Long Beach, County of Los Angeles, State of California. Those actions grant licenses, permits, and approvals for the project.

DATES: By this notice, the FHWA, on behalf of Caltrans, is advising the public of final agency actions subject to 23 U.S.C. 139(l)(1). A claim seeking judicial review of the Federal agency actions on the highway project will be barred unless the claim is filed on or before January 7, 2021. If the Federal law that authorizes judicial review of a claim provides a time period of less than 150 days for filing such a claim, then that short time period applies.

Office Hours: 8:00 a.m.–5:00 p.m., Pacific Standard Time, telephone (213) 266–3805 or email Jason.Roach@dot.ca.gov. For FHWA, contact David Tedrick at (916) 498–5024 or email david.tedrick@dot.gov.

SUPPLEMENTARY INFORMATION: Effective July 1, 2007, FHWA assigned, and Caltrans assumed, environmental responsibilities for this project pursuant to 23 U.S.C. 327. Notice is hereby given that Caltrans has taken final agency actions subject to 23 U.S.C. 139(l)(1) by issuing licenses, permits, and approvals for the following highway project in the State of California.

Caltrans in corporation with the City of Long Beach proposes a bridge replacement project at State Route 710 (SR–710). The proposed Project would reconstruct Shoemaker Bridge and realign local street connections to the bridge. The proposed Project limits serve as logical termini, or rational end points for transportation improvements

and is sufficient to evaluate the environmental impacts of the connections that originate in downtown Long Beach at the south end and terminate at the bridge's connection to SR–710 at the north end because the Project purpose is to modernize the structure and geometrics of the bridge and to facilitate planned projects adjacent to the bridge.

The actions by the Federal agencies, and the laws under which such actions were taken, are described in the Final Environmental Impact Report (FEIR)/ Finding of No Significant Impact (FONSI) for the project, issued on June 30, 2020, and in other documents in Caltrans' project records. The FEIR/ FONSI and other project records are available by contact Caltrans at the addresses provided above. The Caltrans FEIR/FONSI and other project records can be viewed and downloaded at the following City of Long Beach Shoemaker Bridge Project website.

SUPPLEMENTARY INFORMATION:

I. Statutory and Regulatory Provisions

The legislative framework generally referred to as the Bank Secrecy Act (BSA) consists of the Currency and Financial Transactions Reporting Act of 1970, as amended by the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001 (USA PATRIOT Act) (Pub. L. 107–56) and other legislation. The BSA is codified at 12 U.S.C. 1829b, 12 U.S.C. 1951–1959, 31 U.S.C. 5311–5314 and 5316–5332, and notes thereto, with implementing regulations at 31 CFR Chapter X.

The BSA authorizes the Secretary of the Treasury, *inter alia*, to require financial institutions to keep records and file reports that are determined to have a high degree of usefulness in criminal, tax, and regulatory matters, or in the conduct of intelligence or counter-intelligence activities, to protect against international terrorism, and to implement counter-money laundering programs and compliance procedures.¹ Regulations implementing Title II of the BSA appear at 31 CFR Chapter X. The authority of the Secretary to administer the BSA has been delegated to the Director of FinCEN.²

Section 311 of the USA PATRIOT Act (Section 311), codified at 31 U.S.C. 5318A, grants FinCEN the authority, upon finding that reasonable grounds

exist for concluding that a foreign jurisdiction, financial institution, class of transactions, or type of account is of primary money laundering concern, to require domestic financial institutions and financial agencies to take certain special measures to address the primary money laundering concern.

FinCEN may impose one or more of these special measures in order to protect the U.S. financial system from these threats. Special measures one through four, codified at 31 U.S.C. 5318A(b)(1)–(b)(4), impose additional recordkeeping, information collection, and reporting requirements on covered U.S. financial institutions. The fifth special measure, codified at 31 U.S.C. 5318A(b)(5), allows FinCEN to impose prohibitions or conditions on the opening or maintenance of certain correspondent accounts.

FinCEN issued a final rule on November 8, 2017, imposing the fifth special measure to prohibit covered U.S. financial institutions from opening or maintaining a correspondent account for, or on behalf of, Bank of Dandong.³ The rule further requires covered U.S. financial institutions to apply due diligence to their correspondent accounts that is reasonably designed to guard against their use by Bank of Dandong.⁴ It also requires covered institutions to apply special due diligence to their foreign correspondent accounts that is reasonably designed to guard against their use to process transactions involving Bank of Dandong.

The notification requirement in 31 CFR 1010.660(b)(3)(i)(A) is intended to enhance cooperation from correspondent account holders in preventing Bank of Dandong from accessing to the U.S. financial system. The information financial institutions are required to maintain pursuant to section 1010.660(b)(4)(i) will be used by federal agencies and certain self-regulatory organizations to verify compliance by covered financial institutions with the provisions of 31 CFR 1010.660.

Abstract: FinCEN is issuing this notice to renew the OMB control number for the imposition of a special

measure against Bank of Dandong as a financial institution of primary money laundering concern pursuant to the authority contained in 31 U.S.C. 5318A. See 31 CFR 1010.660.

When the final rule was published on November 8, 2017, the number of financial institutions affected by the rule was estimated at 5,000. FinCEN has since revised the estimated number of affected financial institutions upward to account for all domestic financial institutions that could potentially maintain correspondent accounts for foreign banks, and recognizing that, under the final rule, covered financial institutions are required to apply due diligence to their correspondent accounts that is reasonably designed to guard against their indirect use by Bank

⁶ The Estimated Number of Respondents is based on the sum of the following numbers:

- 5,306 banks—according to the Federal Deposit Insurance Corporation (FDIC) there were 5,103 FDIC-insured banks as of March 31, 2020. According to the Federal Reserve Board (FRB), there were 203 other entities supervised by the FRB, as of June 16, 2020, that fall within the definition of bank. (20 Edge Act institutions, 15 agreement corporations, and 168 foreign banking organizations).

- 125 privately-insured credit unions—according to the General Accountability Office, *PRIVATE DEPOSIT INSURANCE: Credit Unions Largely Complied with Disclosure Rules, but Rules Should Be Clarified*, March 2017.
- 1,104 introducing brokers—according to the Commodities and Futures Trading Commission (CFTC), there were 1,104 introducing brokers in commodities registered with the CFTC as of March 31, 2020.
- 61 futures commission merchants—according to the CFTC, there were 61 futures commission merchants registered with the CFTC, as of March 31, 2020.
- 3,640 broker/dealers—according to the Securities and Exchange Commission (SEC), there were 3,640 brokers or dealers in securities registered with the SEC, as of March 31, 2020.
- 1,591 mutual funds—according to the SEC, there were approximately 1,591 mutual funds in 2017, based on forms filed with the SEC. The SEC provided the estimate to FinCEN for the last renewal of OMB control number 1506–0033 (83 FR 46012, Sept. 11, 2018). FinCEN was unable to obtain a more recent estimate.

¹ Section 358 of the USA PATRIOT Act added language expanding the scope of the BSA to intelligence or counter-intelligence activities to protect against international terrorism.

of Dandong. There are approximately 17,063 such financial institutions doing business in the United States. As noted, this revision should not have a significant impact on a substantial number of small entities.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid control number assigned by OMB. Records required to be retained under the BSA must be retained for five years. Generally, information collected pursuant to the BSA is confidential but may be shared as provided by law with

regulatory and law enforcement authorities.

quality, utility, and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology; and (e) estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information.
