

on the multicast stream in accordance with the requirements of 47 CFR 73.671(e). Among other requirements, the station must make an on-air notification of the schedule change during the same time slot as the preempted episode. The on-air notification must include the alternate date and time when the program will air. This requirement will help to ensure that parents and children are able to locate the rescheduled program.

Pursuant to 47 CFR 73.673, each commercial television broadcast station licensee must provide information identifying programming specifically designed to educate and inform children to publishers of program guides. This requirement is intended to improve the information available to parents regarding programming specifically designed for children's educational and informational needs. Commercial television broadcast station licensees are no longer be required to provide program guide publishers an indication of the age group for which the programming is intended. The Report and Order finds that very few program guides include this information.
