### FEDERAL DEPOSIT INSURANCE CORPORATION

#### FDIC Statement of Policy on Bank Merger Transactions

**AGENCY:** Federal Deposit Insurance Corporation (FDIC).

**ACTION:** Final agency policy statement (amended).

**SUMMARY:** The FDIC is amending its Statement of Policy on Bank Merger Transactions to incorporate a recent statutory change to the Bank Merger Act, as amended by the USA PATRIOT Act, which makes an insured depository institution's effectiveness in combating money laundering a factor in evaluating a proposed merger transaction.

**EFFECTIVE DATE:** July 23, 2002.

**FOR FURTHER INFORMATION CONTACT:**

Kevin W. Hodson, Review Examiner (202/898-6919), Division of Supervision and Consumer Protection; Robert C. Pick, Counsel (202/898-8962), or Carl Gold, Counsel (202/898-8702), Legal Division, FDIC, 550 17th Street, NW., Washington, DC 20429.

**SUPPLEMENTARY INFORMATION:** Section 327 of the USA PATRIOT Act (Pub. L. 107-56, enacted October 26, 2001) amends section 18(c) of the Federal Deposit Insurance Act 12 U.S.C. 1828(c) (commonly known as the Bank Merger Act), adding a new factor for consideration in deciding merger transactions covered by the Bank Merger Act. The factor reads, "In every case, the responsible agency shall take into consideration the effectiveness of any insured depository institution involved in the proposed merger transaction in combating money laundering activities, including in overseas branches." The amended statement of policy essentially restates the USA PATRIOT Act requirement. No new informational

requirements relating to Bank Merger Act applications are imposed at this time. Consideration of the new factor is required on applications submitted after December 31, 2001. The FDIC is not soliciting comment on the revised Statement of Policy. The amendment to the Policy Statement, which was published at 63 FR 44761 on August 20, 1998, is effective immediately upon publication in the **Federal Register**.

The Statement of Policy is hereby amended by adding a new paragraph at the end of section III., to read as follows:

#### FDIC Statement of Policy on Bank Merger Transactions

\* \* \* \* \*

#### III. Evaluation of Merger Applications

\* \* \* \* \*

##### *Anti-Money Laundering Record*

In every case, the FDIC will take into consideration the effectiveness of each insured depository institution involved in the proposed merger transaction in combating money-laundering activities, including in overseas branches. In this regard, the FDIC will consider the adequacy of each institution's programs, policies, and procedures relating to anti-money laundering activities; the relevant supervisory history of each participating institution, including their compliance with anti-money laundering laws and regulations; and the effectiveness of any corrective program outstanding. The FDIC's assessment may also incorporate information made available to the FDIC by the Department of the Treasury, other Federal or State authorities, and/or foreign governments. Adverse findings may warrant correction of identified problems before consent is granted, or the imposition of conditions. Significantly adverse findings in this area may form the basis for denial of the application.

Federal Deposit Insurance Corporation.

By order of the Board of Directors.

## DEPARTMENT OF HEALTH AND HUMAN SERVICES

### Centers for Medicare & Medicaid Services

#### Privacy Act of 1974; Report of Modified or Altered System

**AGENCY:** Department of Health and Human Services (HHS) Centers for Medicare & Medicaid Services (CMS)(formerly the Health Care Financing Administration).

**ACTION:** Notice of modified or altered System of Records (SOR).

**SUMMARY:** In accordance with the requirements of the Privacy Act of 1974, we are proposing to modify or alter an SOR, "Medicare Health Maintenance Organizations/Competitive Medical Plans Beneficiary Reconsideration System (MBRS)," System No. 09-70-4003. We propose to change the name of the system to read "Medicare Managed Care Beneficiary Reconsideration (RECON) System," to reflect the change in the programs related to this activity. The language in published routine use number 3 will be modified to more accurately reflect activities currently performed by contractors and consultants. We propose to delete published routine use number 5, pertaining to "a state insurance commissioner \* \* \*" and an unnumbered routine use authorizing disclosure to the Social Security Administration (SSA). Access to the data for these activities will be accomplished by adding a new routine use which authorizes release of

information in this system to "another Federal and/or state agency, agency of a state government, an agency established by state law, or its fiscal agent."

Disclosure of information to Quality Improvement Organizations (QIO) (formerly Peer Review Organizations) as stated in published routine use number 5 will be treated as a new routine use and prioritized as routine use number 4. We propose to modify the language of published routine use number 4 pertaining to "a third party" to limit disclosures authorized under this routine use and to provide clarity to the circumstances for disclosures. Third parties will be treated as a new routine use and prioritized as routine use number 3.

The security classification previously reported as "None" will be modified to reflect that the data in this system are considered to be "Level Three Privacy Act Sensitive." We are modifying the language in the remaining routine uses to provide clarity to CMS's intention to disclose individual-specific information contained in this system. The routine uses will then be prioritized and reordered according to their proposed usage. We will also take the opportunity to update any sections of the system that were affected by recent reorganizations and to update language in the administrative sections to correspond with language used in other CMS SORs.

The primary purpose of the system is to collect and maintain information necessary to process requests for reconsideration of service requests or claims by or on behalf of Medicare managed care enrollees, promote the effectiveness and integrity of the Medicare managed care program, and reply to future correspondence related to the case. Information in this system will also be disclosed to: (1) Support regulatory and policy functions performed within the Agency or by a contractor or consultant, (2) another Federal and/or state agency, agency of a state government, an agency established by state law, or its fiscal agent, (3) third party contacts, (4) QIOs, (5) support constituent requests made to a congressional representative, (6) support litigation involving the Agency related to this SOR, and (7) combat fraud and abuse in certain health care programs. We have provided background information about the modified system in the "Supplementary Information" section below. Although the Privacy Act requires only that CMS provide an opportunity for interested persons to comment on the proposed routine uses, CMS invites comments on all portions of this notice. See "Effective Dates" section for comment period.
