DEPARTMENT OF HOMELAND SECURITY

[Docket No. DHS-2011-0115]

Request for Public Comments Concerning U.S.-Canada Action Plan for Perimeter Security and Economic Competitiveness

AGENCY: Office of Policy, DHS.

ACTION: Notice.

SUMMARY: The United States and Canada are staunch allies, vital economic partners, neighbors, and steadfast friends. We share common values, communities, and deep links among our citizens. The extensive mobility of people, goods, capital, and information between our two countries has helped ensure that our societies remain open, democratic, prosperous, and secure.

On February 4, 2011, President Barack Obama and Canadian Prime Minister Stephen Harper announced *Beyond the Border: A Shared Vision for Perimeter Security and Economic Competitiveness*. This declaration describes a perimeter approach to security in which the United States and Canada share responsibility for the security and resilience of our nations.
