Section 19(b)(2) of the Act⁴ provides that, within 45 days of the publication of notice of the filing of a proposed rule change, or within such longer period up to 90 days as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding, or as to which the self-regulatory organization consents, the Commission shall either approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether the proposed rule change should be disapproved. The 45th day after publication of the notice for this proposed rule change is October 2, 2022.

The Commission is extending this 45-day time period. Accordingly, the Commission, pursuant to Section 19(b)(2) of the Act,⁵ designates November 16, 2022, as the date by which the Commission shall either approve or disapprove, or institute proceedings to determine whether to disapprove, the proposed rule change (File No. SR-FINRA-2022-025).

Commission, Office of FOIA Services,
100 F Street NE, Washington, DC
20549-2736

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520), the Securities and Exchange Commission ("Commission") is soliciting comments on the collections of information summarized below. The Commission plans to submit these existing collections of information to the Office of Management and Budget ("OMB") for extension and approval.

Section 17(d) (15 U.S.C. 80a-17(d)) of the Investment Company Act of 1940 ("Act") authorizes the Commission to adopt rules that protect funds and their security holders from overreaching by affiliated persons when the fund and the affiliated person participate in any joint enterprise or other joint arrangement or profit-sharing plan. Rule 17d-1 under the Act (17 CFR 270.17d-1) prohibits funds and their affiliated persons from participating in a joint enterprise, unless an application regarding the transaction has been filed with and approved by the Commission. Subparagraph (d)(3) of the rule provides an exemption from this requirement for any loan or credit advance to, or acquisition of securities or other property of, a small business concern, or any agreement to do any of these transactions ("investments") made by a small business investment company ("SBIC") and a bank that is an affiliated person of (1) the SBIC or (2) an affiliated person of the SBIC ("affiliated bank"). The exemption requires the Commission to prescribe reports about the investments, and the Commission has designated Form N-17D-1 ("form") as the form for reports required by rule 17d-1(d)(3).¹

SBICs and their affiliated banks use form N-17D-1 to report any contemporaneous investments in a small business concern. The form provides shareholders and persons seeking to make an informed decision about investing in an SBIC an opportunity to learn about transactions of the SBIC that have the potential for self-dealing and other forms of overreaching by affiliated persons at the expense of shareholders.

Form N-17D-1 requires SBICs and their affiliated banks to report identifying information about the small business concern and the affiliated bank. The report must include, among other things, the SBIC's and affiliated bank's outstanding investments in the small business concern, the use of the proceeds of the investments made during the reporting period, any changes in the nature and amount of the

affiliated bank's investment, the name of any affiliated person of the SBIC or the affiliated bank (or any affiliated person of the affiliated person of the SBIC or the affiliated bank) who has any interest in the transactions, the basis of the affiliation, the nature of the interest, and the consideration the affiliated person has received or will receive.

There are no SBICs currently registered with the Commission and, thus, we estimate that annually there will be no transactions that trigger the obligations to file the form.² The Commission requests authorization to maintain an inventory of one burden hour to ease future renewals of Form N-17D-1's collection of information analysis should an SBIC register with the Commission in the future and engage in a transaction that would necessitate reporting on the form. If an SBIC were to file on Form N-17D-1, we estimate the cost would be \$237.³ The Commission will not keep responses on Form N-17D-1 confidential.

The estimate of average burden hours is made solely for the purposes of the Paperwork Reduction Act, and is not derived from a comprehensive or even a representative survey or study of the costs of Commission rules. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Written comments are invited on: (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted by December 5, 2022.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information

² The Commission has not received a filing on Form N-17D-1 since March 23, 1987.

³ The estimated wage figure is based on published rates for Senior Accountants (\$237). The \$237/hour figure for a Senior Accountant is from Securities Industry and Financial Markets Association's Management & Professional Earnings in the Securities Industry 2013, modified by Commission staff to account for an 1,800-hour work-year and multiplied by 5.35 to account for bonuses, firm size, employee benefits and overhead.

Proposed Collection; Comment Request; Extension: Regulation 14C (Commission Rules 14c-1 Through 14c-7 and Schedule 14C)

Upon Written Request Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Section 14(c) of the Securities Exchange Act of 1934 (the "Exchange Act") operates to require issuers that do not solicit proxies or consents from any or all of the holders of record of a class of securities registered under Section 12 of the Exchange Act and in accordance with the rules and regulations prescribed under Section 14(a) in connection with a meeting of security holders (including action by consent) to distribute to any holders that were not solicited an information statement substantially equivalent to the information that would be required to be transmitted if a proxy or consent solicitation were made. Regulation 14C (Exchange Act Rules 14c-1 through 14c-7 and Schedule 14C) (17 CFR 240.14c-1 through 240.14c-7 and 240.14c-101) sets forth the requirements for the dissemination, content and filing of the information statement. We estimate that Schedule 14C takes approximately 129.1575 hours per response and will be filed by

approximately 569 issuers annually. In addition, we estimate that 75% of the 129.1575 hours per response (96.8681 hours) is prepared by the issuer for an annual reporting burden of 55,118 hours (96.8681 hours per response × 569 responses).

Written comments are invited on: (a) whether this proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden imposed by the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication by December 5, 2022.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.
