DEPARTMENT OF COMMERCE

International Trade Administration [A-570-846]

Brake Rotors From the People's Republic of China: Initiation of the Ninth New Shipper Antidumping Duty Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce has received requests to conduct a new shipper review of the antidumping duty order on brake rotors from the People's Republic of China. In accordance with section 751(a)(2)(B) of the Tariff Act of 1930, as amended ("the Act"), and 19 CFR 351.214(d), we are initiating a review for Anda Industries Co., Ltd, Laizhou City Luqi Machinery Co., Ltd, and Qingdao Rotec Auto Parts Co., Ltd.

EFFECTIVE DATE: June 5, 2003.

FOR FURTHER INFORMATION CONTACT:

Brian Smith, Terre Keaton or Margarita Panayi, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone (202) 482-1766, (202) 482-1280 or 482-0049, respectively.

SUPPLEMENTARY INFORMATION:

Background

The Department has received timely requests from Anda Industries Co., Ltd ("Anda"), Laizhou City Luqi Machinery Co., Ltd ("Luqi"), and Qingdao Rotec Auto Parts Co., Ltd ("Rotec"), in accordance with 19 CFR 351.214(c), for a new shipper review of the antidumping duty order on brake rotors from the People's Republic of China

("PRC"), which has an April anniversary date.

As required by 19 CFR 351.214(b)(2)(i) and (iii)(A), each of the exporters identified above, which are also producers, has certified that it did not export brake rotors to the United States during the period of investigation ("POI"), and that it has never been affiliated with any exporter or producer which did export brake rotors during the POI. Each company has further certified that its export activities are not controlled by the central government of the PRC, satisfying the requirements of 19 CFR 351.214(b)(2)(iii)(B). Pursuant to the Department's regulations at 19 CFR 351.214(b)(2)(iv), Anda, Luqi and Rotec each submitted documentation establishing the date on which it first shipped the subject merchandise to the United States, the date of entry of that first shipment, the volume of that shipment and the date of the first sale to an unaffiliated customer in the United States.

In accordance with section 751(a)(2)(B) of the Act and 19 CFR 351.214(b), and based on information on the record, we are initiating a new shipper review for Anda, Luqi and Rotec.

It is the Department's usual practice in cases involving non-market economies to require that a company seeking to establish eligibility for an antidumping duty rate separate from the country-wide rate provide *de jure* and *de facto* evidence of an absence of government control over the company's export activities. Accordingly, we will issue a questionnaire to Anda, Luqi and Rotec (including a complete separate rates section), allowing approximately 37 days for response. If the response from each respondent provides
