

assess the impact of its information collection requirements and minimize the public's reporting burden. It also helps the public understand the Department's information collection requirements and provide the requested data in the desired format. ED is soliciting comments on the proposed information collection request (ICR) that is described below. The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public records.

Title of Collection: Application for Grants under the Talent Search Program.

OMB Control Number: 1840-0818.

Type of Review: A reinstatement of a previously approved information collection.

Respondents/Affected Public: Private Sector, State, Local and Tribal Governments.

Total Estimated Number of Annual Responses: 1,230.

Total Estimated Number of Annual Burden Hours: 40,860.

Abstract: The Department of Education is requesting a reinstatement with change of the application for grants under the Talent Search (TS) Program. The Department is requesting a reinstatement with change because the previous TS application expired in October 2013 and the application will be needed for a Fiscal Year (FY) 2016 competition for new awards. The FY 2016 application incorporates new competitive preference priorities and removes the previously-used invitational priorities.

Dated: October 1, 2015.

Kate Mullan,

Acting Director, Information Collection Clearance Division, Office of the Chief Privacy Officer, Office of Management.

DEPARTMENT OF ENERGY

DOE/NSF Nuclear Science Advisory Committee

AGENCY: Office of Science, Department of Energy.

ACTION: Notice of renewal.

SUMMARY: Pursuant to section 14(a)(2)(A) of the Federal Advisory Committee Act (Pub. L. 92–463) and in accordance with Title 41 of the Code of Federal Regulations, section 102–3.65, and following consultation with the Committee Management Secretariat of the General Services Administration, notice is hereby given that the DOE/NSF Nuclear Science Advisory Committee

(NSAC) has been renewed for a two-year period.

The Committee will provide advice and recommendations to the Director, Office of Science (DOE), and the Assistant Director, Directorate for Mathematical and Physical Sciences (NSF), on scientific priorities within the field of basic nuclear science research.

Additionally, the Secretary of Energy has determined that renewal of the NSAC is essential to conduct business of the Department of Energy and the National Science Foundation and is in the public interest in connection with the performance duties imposed by law upon the Department of Energy. The Committee will continue to operate in accordance with the provisions of the Federal Advisory Committee Act, the Department of Energy Organization Act (Pub. L. 95–91), and the rules and regulations in implementation of these acts.

FOR FURTHER INFORMATION CONTACT: Dr. Timothy Hallman at (301) 903–3613.

Issued in Washington, DC, on September 30, 2015.
