

funded under this program (officer positions, equipment and/or training) will be used to meet the mental health, behavioral, and substance abuse needs for Native American youth and their families and provide a range of youth support services and programs both in the community and in the school arena. Sworn police officers may be deployed as Community Resource Officers or as School Resource Officers to engage in community policing activities. Salaries and benefits cover a 3-year period. A 25% local match requirement may be waived on the basis of demonstrated fiscal distress. All applicants must submit a written plan to retain their COPS-funded officer positions after Federal funding has ended.

Grants funded under the COPS initiative will be supplemented with \$50,000 provided by OESE, ED, from FY 2000 Safe and Drug-free Schools and Communities Act National Program funds. These funds will be awarded to the recipients of COPS funds under this initiative and will be used to support alcohol, tobacco, and other drug or violence prevention activities in school-based settings to be implemented by police officers supported by COPS funds.

This program is described in the Catalog of Federal Domestic Assistance under #16710. The deadline for receipt of applications is May 26, 2000.
