

actionable advice and recommendations for the consideration of the Secretary of the Department of Homeland Security on matters related to homeland security. The Homeland Security Advisory Council is comprised of leaders in local law enforcement, first responders, public health, State, local and tribal government, national policy, the private sector, and academia.

The Secretary has requested that the HSAC form a new subcommittee to provide recommendations to the Department to combat online child sexual exploitation and abuse. Specifically, the tasking requested the following:

1. An assessment of how DHS can streamline and strengthen internal operations across components to effectively coordinate and collectively address online child sexual exploitation and abuse alongside our international partners, the technology industry, and non-governmental organizations.

2. An assessment and development of recommended actions for the technology industry to proactively identify, report, and prevent future sexual exploitation and abuse of children online. The assessment should include:

- a. A review of existing authorities and how DHS could utilize these authorities to move our interests forward; and

- b. Identification of the barriers impeding industry from providing actionable information to law enforcement to identify victims and perpetrators.

3. An assessment to gauge the strengths, gaps, and opportunities in public awareness, industry engagement, and whole-of-community involvement. This assessment should include recommendations for cross-industry collaboration to raise public awareness of online Child Sexual Exploitation and Abuse (CSEA).

A full report of findings and recommendations is due to be submitted from the HSAC by April 2024.

Dated: November 16, 2023.

AGENCY: Office of the Assistant Deputy Secretary for Field Policy and Management, HUD.

ACTION: Notification of benchmarks; correction.

SUMMARY: The Department of the Housing and Urban Development (HUD) published a notice in the **Federal Register** on October 5, 2023, to inform members of the public that HUD was updating its 2020 version of the Section 3 benchmark notice pursuant to HUD's regulations, which require that HUD set Section 3 benchmarks by publishing a notification, subject to public comment, in the **Federal Register** and update the benchmarks no less frequently than once every three years by the same method of notification. The notice provided an opportunity for public comment about the Section 3 benchmark goals but did not include the option of electronic submission through *Regulations.gov*. The notice also did not specify a period of time for the public comment period. This notice corrects these omissions and establishes a public comment period of sixty days to submit comments.

DATES: *Effective Date:* December 22, 2023. The public comment period for the notice published in the **Federal Register** on October 5, 2023 (88 FR 69219) is January 22, 2024.

SUPPLEMENTARY INFORMATION:

Correction

In the **Federal Register** of October 5, 2023, in FR Doc 2023-22183, on page

69219, in the first column, the following corrections are made:

1. On page 69219, in the first column, in the Dates caption, revise the "Dates" section to read as follows:

DATES: *Effective Date:* December 22, 2023. *Comment Due Date:* January 22, 2024.

2. On page 69219, in the first column, after the dates section, add a section to read as follows:

ADDRESSES: HUD invites interested persons to submit comments to the Office of the General Counsel, Regulations Division, Department of Housing and Urban Development, 451 7th Street SW, Room 10276, Washington, DC 20410-0500. Communications should refer to the above docket number and title and should contain the information specified in the "Request for Comments" section. There are two methods for submitting public comments.

1. *Electronic Submission of Comments.* Comments may be submitted electronically through the Federal eRulemaking Portal at www.regulations.gov. HUD strongly encourages commenters to submit comments electronically. Electronic submission of comments allows the commenter maximum time to prepare and submit a comment, ensures timely receipt by HUD, and enables HUD to make comments immediately available to the public. Comments submitted electronically through the website can be viewed by other commenters and interested members of the public. Commenters should follow instructions provided on that site to submit comments electronically.

2. *Submission of Comments by Mail.* Comments may be submitted by mail to the Regulations Division, Office of General Counsel, Department of Housing and Urban Development, 451 7th Street SW, Room 10276, Washington, DC 20410-0500. Due to security measures at all Federal agencies, however, submission of comments by mail often results in delayed delivery. To ensure timely receipt, HUD recommends that comments be mailed at least two weeks in advance of the public comment deadline.

Aaron Santa Anna,

Associate General Counsel, Office of Legislation and Regulations.
