

Mariner Document (MMD) transactions. Given the sheer volume of inquiries, the Coast Guard has determined that making available a list of service agents that provide a complete drug test service would be beneficial to mariners.

Request for Submissions

The Coast Guard wants to identify for mariners those service agents who provide a complete drug test service. A complete drug test service includes the specimen collection, analysis at a Substance Abuse Mental Health Services Administration (SAMHSA) accredited laboratory, review of the test result by a Medical Review Officer, and providing of the drug test results to the mariner. The Coast Guard proposes to develop a list of those service agents that provide a complete drug test service. Agents that provide a complete drug test service and who wish to be included in a Coast Guard list should submit a request for inclusion.

Eligibility for Listing

To be included on this list, all drug testing services offered to mariners must be done in accordance with the requirements of 49 CFR part 40.

Required Contents of Submission

To be listed, the service agent must submit:

1. Name of entity
2. Address of entity (Street address or PO box; City, State, Zip Code)
3. Point of Contact
4. Phone number
5. Days and Hours of operation
6. Geographic areas served:
 - State (if local service only is to be provided)
 - Nationwide all states, including Alaska, Hawaii, and all territories
 - International (Indicate if you offer service on an international basis. Do not submit a list of countries where service can be provided.)

Dissemination to Mariners

Mariners will be able to request a listing of service agents from a USCG Regional Examination Center (REC). Service agents will be listed by state. The mariner will receive a listing for the states requested as well as a list of agents who provide a nationwide drug testing service.

A listing by state will be made available on the Internet through a USCG web page for the Office of Investigations and Analysis, Drug and Alcohol Program Information. A mariner will be able to retrieve a listing of those service agents within a particular state or for all entities that are providing service nationally and

internationally. Each listing will have complete name and contact information for each entity listed. Listings submitted by Service Agents will be added to the list periodically.

Qualified Service Agents who wish to be included on the Coast Guard list should submit requests to: Robert C. Schoening, at the address provided under **ADDRESSES** or email to RSchoening@comdt.uscg.mil.

Service agents who are on the Notice of Suspension List maintained by the DOT Office of Drug and Alcohol Program Compliance (ODAPC) will be immediately removed from this list.
