AGENCY: Centers for Disease Control and Prevention (CDC), Department of Health and Human Services (HHS).

ACTION: Advance notice of proposed rulemaking; extension of public comment period.

SUMMARY: On July 31, 2007, CDC published an advanced notice of proposed rulemaking (ANPRM), "Foreign Quarantine regulations, Proposed Revision of HHS/CDC Animal-Importation Regulations," (72 FR 41676) to begin the process of revising HHS/CDC Animal Importation Regulations that cover dogs and cats (42 CFR 71.51), and to consider extending these regulations to cover domesticated ferrets. The ANPRM will also address the importation of African rodents (42 CFR 71.56) into the United States. CDC provided a 60-day public comment period, with written comments to be received on or before October 1, 2007. CDC has received requests asking for an extension of the comment period. In consideration of these requests, CDC is extending the comment period an additional 60 days, with a new closing date of December 1, 2007.

Atlantic Highly Migratory Species; Atlantic Commercial Shark Management Measures

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Proposed rule; request for comments.

SUMMARY: This proposed rule would establish the 2008 first trimester season quotas for large coastal sharks (LCS), small coastal sharks (SCS), and pelagic sharks based on over- or underharvests from the 2007 first trimester season. This proposed action would provide advance notice of quotas and season dates for the Atlantic commercial shark fishery. It would also ensure the measures in this action are in place until they are replaced by those implemented under Amendment 2 to the Highly Migratory Species (HMS) Fisheries Management Plan (FMP) even if Amendment 2 is finalized after the start of the second trimester season (May 1, 2008). As such, this action constitutes the regulatory action to determine quotas and season lengths for LCS, SCS and pelagic sharks for the 2008 second trimester season.

DATES: Comments on this proposed rule may be submitted at the public hearing (oral or written), via email, mail, or fax by October 31, 2007.
