

The Commission finds good cause, pursuant to Section 19(b)(2) of the Act,²² for approving the proposed rule change, as modified by Amendment No. 1, prior to the thirtieth day after the date of publication of notice in the **Federal Register**. The Commission notes that the proposal is consistent with the Exchange's listing and trading standards in CBOE Rules 5.3 and 5.4, and the Commission has recently approved a similar proposal, after publishing it for a full comment period and receiving no comments.²³ Therefore, the Commission does not believe that the proposed rule change, as amended, raises novel regulatory issues. Consequently, the Commission believes that it is appropriate to permit investors to benefit from the flexibility afforded by trading these products without delay.

Accordingly, the Commission finds that there is good cause, consistent with Section 6(b)(5) of the Act,²⁴ to approve the proposal, as amended, on an accelerated basis.

V. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,²⁵ that the proposed rule change (SR-CBOE-2007-21), as modified by Amendment No. 1, be, and is hereby approved on an accelerated basis.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority:²⁶

Florence E. Harmon,

Deputy Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-55637; File No. SR-CBOE-2007-35]

Self-Regulatory Organizations; Chicago Board Options Exchange, Incorporated; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Increase the Class Quoting Limit in Several Option Classes

April 16, 2007.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,²

notice is hereby given that on April 10, 2007, the Chicago Board Options Exchange, Incorporated ("CBOE" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been substantially prepared by the CBOE. The Exchange has designated this proposal as one constituting a stated policy, practice, or interpretation with respect to the meaning, administration, or enforcement of an existing rule under Section 19(b)(3)(A)(i) of the Act,³ and Rule 19b-4(f)(1) thereunder,⁴ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

CBOE proposes to increase the class quoting limit in several option classes. The text of the proposed rule change is available on CBOE's Web site (<http://www.cboe.com>), at the CBOE's Office of the Secretary, and at the Commission's public reference room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, CBOE included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The CBOE has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

CBOE Rule 8.3A, Maximum Number of Market Participants Quoting Electronically per Product, establishes class quoting limits ("CQLs") for each class traded on the Hybrid Trading System.⁵ A CQL is the maximum number of quoters that may quote electronically in a given product and the current levels are established from 25–

40, depending on the trading activity of the particular product.

Rule 8.3A, Interpretation .01(c) provides a procedure by which the President of the Exchange may increase the CQL for a particular product. In this regard, the President of the Exchange may increase the CQL in exceptional circumstances, which are defined in the rule as "substantial trading volume, whether actual or expected."⁶ The effect of an increase in the CQL is procompetitive in that it increases the number of market participants that may quote electronically in a product. The purpose of this filing is to increase the CQL in the following option classes as described below:

Option class	Current CQL	New CQL
American Home Mortgage Investment Corp. (AHM)	25	30
Dendreon Corporation (DNDN)	25	40
Imergent Inc. (IIG)	25	30
Accredited Home Lenders Holding (LEND) ...	35	45
Novastar Financial, Inc. (NFI)	30	40
Neurochem, Inc. (NRMX)	25	35

The trading volume in these option classes recently has increased substantially. Increasing the CQL in these classes will enable the Exchange to enhance the liquidity offered, thereby offering deeper and more liquid markets.

2. Statutory Basis

Accordingly, CBOE believes the proposed rule change is consistent with the Act and the rules and regulations under the Act applicable to a national securities exchange and, in particular, the requirements of section 6(b) of the Act.⁷ Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)⁸ requirements that the rules of an exchange be designed to promote just and equitable principles of trade, to prevent fraudulent and manipulative acts and, in general, to protect investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

CBOE does not believe that the proposed rule change will impose any

burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange neither received nor solicited written comments on the proposal.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing proposed rule change will take effect upon filing with the Commission pursuant to Section 19(b)(3)(A)(i) of the Act⁹ and Rule 19b-4(f)(1) thereunder,¹⁰ because it constitutes a stated policy, practice, or interpretation with respect to the meaning, administration, or enforcement of an existing rule.

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an e-mail to rule-comments@sec.gov. Please include File Number SR-CBOE-2007-35 on the subject line.

Paper Comments

- Send paper comments in triplicate to Nancy M. Morris, Secretary, Securities and Exchange Commission, 100 F Street, NE., Washington, DC 20549-1090.

All submissions should refer to File Number SR-CBOE-2007-35. This file number should be included on the subject line if e-mail is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's

Internet Web site (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of such filing also will be available for inspection and copying at the principal office of the CBOE. All comments received will be posted without change; the Commission does not edit personal identifying information from submissions. You should submit only information that you wish to make available publicly. All submissions should refer to File Number SR-CBOE-2007-35 and should be submitted on or before May 11, 2007.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.¹¹

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-55625; File No. SR-CHX-2007-08]

Self-Regulatory Organizations; Chicago Stock Exchange, Inc.; Notice of Filing of Proposed Rule Change To Expand Its Price Manipulation Rule To Address Additional Instances of Improper Behavior

April 12, 2007.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on March 21, 2007, the Chicago Stock Exchange, Inc. ("CHX" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II and III below, which Items have been substantially prepared by the CHX. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

¹¹ 17 CFR 200.30-3(a)(12).

¹ 15 U.S.C. 78s(b)(1).

² CFR 240.19b-4.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend its rule relating to price manipulation to address two separate instances of improper activity: (1) Manipulative conduct consisting of a single event (in addition to a series of events, as the current rule contemplates) and (2) manipulation based upon the entry of orders as opposed to that based solely upon the entry of trades. The text of the proposed rule change is available at the Exchange, the Commission's Public Reference Room, and http://www.chx.com/rules/proposed_rules.htm.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the CHX included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The CHX has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

Through this proposal, the Exchange seeks to amend its rule relating to price manipulation to address two separate instances of improper activity: (1) Manipulative conduct consisting of a single event (in addition to a series of events, as the current rule contemplates) and (2) manipulation based upon the entry of orders as opposed to that based solely upon the entry of trades.³

As an initial matter, the Exchange believes that these changes to the rule would appropriately establish that improper price manipulation could occur, in certain circumstances, when orders are entered at successively higher or lower prices, not just upon the execution of a series of trades at successively higher or lower prices. Order-based manipulation, sometimes called spoofing, may be intended to take advantage of algorithms or electronic traders who focus on changes to the bid or offer in trading. In such situations,

³ The proposal would also expand the rule to address conduct by persons associated with a participant firm, in addition to the firm's partners, directors, officers and registered employees.
