

appropriate and necessary to provide guidance to filers clarifying the need to manually input information relating to the Amended Data Fields, when applicable, on Amended Form G-32.<sup>20</sup>

### III. Discussion and Commission Findings

The Commission has carefully considered the proposed rule change. The Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to the MSRB.

In particular, the proposed rule change is consistent with Section 15B(b)(2)(C) of the Act.<sup>21</sup> Section 15B(b)(2)(C) of the Act states that the MSRB's rules shall be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in municipal securities and municipal financial products, to remove impediments to and perfect the mechanism of a free and open market in municipal securities and municipal financial products, and, in general, to protect investors, municipal entities, obligated persons, and the public interest.<sup>22</sup> The Commission believes the proposed rule change is consistent with Section 15B(b)(2)(C) and necessary and appropriate to ensure the MSRB receives accurate and complete primary offering information in a timely manner. Further, the Commission notes that the clarification that underwriters are obligated to manually complete the three Amended Manual Fields on Amended Form G-32 applies to all applicable filers and ensures the accurate and timely completion of Amended Form G-32.

The Commission believes the proposed rule change would promote just and equitable principles of trade by resolving potential regulatory ambiguities and making clear that, when the filing of Amended Form G-32 is required in connection with a primary offering, an underwriter is effectively required to ensure that all applicable fields are complete and accurate, which may require manually completing these three fields on Amended Form G-32. The clarifications made by the proposed rule change would assist any dealer who acts, or may act, as an underwriter of a

primary offering of municipal securities in completing Form G-32 accurately.

The Commission also believes the proposed rule change would foster cooperation and coordination with persons engaged in regulating and processing information with respect to transactions in municipal securities and municipal financial products. The Commission believes that the benefits of the proposed rule change will not only accrue to dealer firms, but also to regulated-entity examiners, other regulators, and data vendors by mitigating potential ambiguity and confusion. Just as it would be beneficial to dealer firms to have a uniform clarified understanding of the regulatory obligations associated with Amended Form G-32, the proposed rule change would similarly benefit these other market participants by ensuring that the data submitted on Amended Form G-32 is complete and accurate regardless of whether the dealer directly interfaces with NIIDS or utilizes the interface of a third-party vendor.

In approving the proposed rule change, the Commission also has considered the impact of the proposed rule change on efficiency, competition, and capital formation.<sup>23</sup> The Commission does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The Commission understands the clarification will apply equally to all applicable underwriters without imposing an additional burden within the filing process. Moreover, since the proposed rule change is intended to increase regulatory transparency regarding the obligation of underwriters to manually complete the Amended Manual Fields, the Commission believes the proposed change should increase the efficiency of underwriters fulfilling their obligations under Rule G-32, as underwriters would be on notice of the lack of auto-population for these three fields on Amended Form G-32 and, thereby, may avoid certain costs associated with resolving a potentially ambiguous regulatory obligation. The Commission believes the proposed rule change will help market participants avoid the potential for regulatory misinterpretation and confusion, which promotes a fairer and more efficient municipal securities market.

For the reasons noted above, the Commission believes that the proposed rule change is consistent with the Act.

### IV. Conclusion

*It is therefore ordered*, pursuant to Section 19(b)(2) of the Act,<sup>24</sup> that the proposed rule change (SR-MSRB-2020-08) be, and hereby is, approved.

For the Commission, pursuant to delegated authority.<sup>25</sup>

## II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, FINRA included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. FINRA has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

### A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

#### 1. Purpose

In response to the COVID–19 global health crisis and the corresponding need to restrict in-person activities, FINRA filed proposed rule changes, SR–FINRA–2020–015 and SR–FINRA–2020–027, which respectively provide temporary relief from some timing, method of service and other procedural requirements in FINRA rules and allow FINRA's OHO and the NAC to conduct hearings, on a temporary basis, by video conference, if warranted by the current COVID–19-related public health risks posed by an in-person hearing. The

Officers ("OHO") and the National Adjudicatory Council ("NAC") to conduct hearings, on a temporary basis, by video conference, if warranted by the current COVID–19-related public health risks posed by an in-person hearing. For further information on SR–FINRA–2020–015 and SR–FINRA–2020–027, in addition to what is provided herein, visit FINRA's website at <https://www.finra.org/rules-guidance/rule-filings/sr-finra-2020-015> and <https://www.finra.org/rules-guidance/rule-filings/sr-finra-2020-027>, respectively.

<sup>6</sup> If FINRA requires temporary relief from the rule requirements identified in SR–FINRA–2020–015 and SR–FINRA–2020–027 beyond April 30, 2021, FINRA may submit a separate rule filing to extend the expiration date of the temporary amendments that are the subject of those filings. The amended FINRA rules will revert back to their original form at the conclusion of the temporary relief period and any extension thereof.

COVID–19 conditions necessitating these temporary amendments persist, with cases rapidly escalating nationwide. Based on its assessment of current COVID–19 conditions, and the lack of certainty as to when COVID–19-related health concerns will subside, FINRA has determined that there is a continued need for this temporary relief for several months beyond December 31, 2020. Accordingly, FINRA proposes to extend the expiration date of the temporary rule amendments set forth in SR–FINRA–2020–015 and SR–FINRA–2020–027 from December 31, 2020, to April 30, 2021.

#### i. SR–FINRA–2020–015

On May 8, 2020, FINRA filed with the Commission a proposed rule change for immediate effectiveness, SR–FINRA–2020–015, to temporarily amend some timing, method of service and other procedural requirements in FINRA rules during the period in which FINRA's operations are impacted by the outbreak of COVID–19 (the "May 8 Filing").<sup>7</sup> The Commission published its notice of filing and immediate effectiveness for the May 8 Filing on May 20, 2020.<sup>8</sup> The temporary amendments, as originally proposed in the May 8 Filing, would have expired on June 15, 2020, absent another proposed rule change filing by FINRA. FINRA subsequently filed two proposed rule changes to extend the expiration date of the temporary amendments set forth in the May 8 Filing.<sup>9</sup> The most recent proposed rule change, SR–FINRA–2020–022, filed on July 27, 2020, extended the expiration date of the temporary amendments in the May 8 Filing from July 31, 2020, to a date to be specified in a public notice issued by FINRA, which date will be at least two weeks from the date of the notice, and no later than December 31, 2020 (the "July 27 Filing").<sup>10</sup>

<sup>7</sup> The following FINRA rules are the subject of the May 8 Filing: 1012, 1015, 6490, 9132, 9133, 9146, 9321, 9341, 9349, 9351, 9522, 9524, 9525, 9559 and 9630.

<sup>8</sup> See Securities Exchange Act Release No. 88917 (May 20, 2020), 85 FR 31832 (May 27, 2020) (Notice of Filing and Immediate Effectiveness of File No. SR–FINRA–2020–015).

<sup>9</sup> On June 10, 2020, FINRA filed SR–FINRA–2020–017 to extend the expiration date of the temporary amendments set forth in the May 8 Filing from June 15, 2020, to July 31, 2020 (the "June 10 Filing"). The Commission published its notice of filing and immediate effectiveness for the June 10 Filing on June 12, 2020. See Securities Exchange Act Release No. 89055 (June 12, 2020), 85 FR 36928 (June 18, 2020) (Notice of Filing and Immediate Effectiveness of File No. SR–FINRA–2020–017).

<sup>10</sup> The Commission published its notice of filing and immediate effectiveness for the July 27 Filing on July 29, 2020. See Securities Exchange Act Release No. 89423 (July 29, 2020), 85 FR 47278 (August 4, 2020) (Notice of Filing and Immediate Effectiveness of File No. SR–FINRA–2020–022).

As stated in its previous filings, FINRA proposed, and subsequently extended, the temporary amendments set forth in the May 8 Filing to address the substantial impacts of the COVID–19 outbreak on FINRA's operations. Among other things, the need for FINRA staff, with limited exceptions, to work remotely and restrict in-person activities—consistent with the recommendations of public health officials—made it challenging to meet some procedural requirements and perform some functions required under FINRA rules. The temporary amendments in the May 8 Filing addressed these concerns by easing logistical and other issues and providing FINRA with needed flexibility for its operations during the COVID–19 outbreak, allowing FINRA to continue critical adjudicatory and review processes in a reasonable and fair manner and meet its critical investor protection goals, while also following best practices with respect to the health and safety of its staff.

As noted above, the COVID–19 conditions necessitating the temporary amendments in the May 8 Filing—and the extensions of that relief provided for in FINRA's subsequent filings—persist. FINRA continues to face the same logistical and other challenges stemming from the COVID–19-related public health risks for in-person activities and the continued need for FINRA staff, with few exceptions, to work remotely to protect their health and safety. Working remotely makes it difficult to, among other things, send and receive hard copy documents and conduct in-person oral arguments.

As indicated in its previous filings, FINRA has established a COVID–19 task force to develop a data-driven, staged plan for FINRA staff to safely return to working in FINRA office locations and resume other in-person activities. Based on its assessment of current COVID–19 conditions, including the recent nationwide surge of COVID–19 cases, FINRA does not believe the COVID–19-related health concerns necessitating this relief will subside by December 31, 2020, and has determined that there will be a continued need for this temporary relief for several months beyond December 31, 2020. Accordingly, FINRA proposes to extend the expiration date of the temporary rule amendments in the May 8 Filing from December 31, 2020, to April 30, 2021.

#### ii. SR–FINRA–2020–027

On August 31, 2020, FINRA filed with the Commission a proposed rule change for immediate effectiveness, SR–FINRA–2020–027, to temporarily amend

FINRA Rules 1015, 9261, 9524 and 9830 to grant OHO and the NAC authority<sup>11</sup> to conduct hearings in connection with appeals of Membership Application Program decisions, disciplinary actions, eligibility proceedings and temporary and permanent cease and desist orders by video conference, if warranted by the current COVID-19-related public health risks posed by an in-person hearing (the “August 31 Filing”).<sup>12</sup> The Commission published its notice of filing and immediate effectiveness for the August 31 Filing on September 2, 2020.<sup>13</sup> The temporary amendments, as originally proposed in the August 31 Filing, will expire on December 31, 2020, absent another proposed rule change filing by FINRA.

FINRA proposed the temporary amendments allowing for specified OHO and NAC hearings to be conducted by video conference in response to the COVID-19-related public health risks posed in connection with conducting traditional, in-person hearings and the corresponding backlog of cases resulting from FINRA’s postponement of in-person hearings starting on March 16, 2020. As set forth in the August 31 Filing, FINRA relies on the guidance of its health and safety consultant, in conjunction with COVID-19 data and guidance issued by public health authorities, to determine whether the current public health risks presented by an in-person hearing may warrant a hearing by video conference.<sup>14</sup> As noted above, the COVID-19-related public health risks necessitating this temporary relief have not yet abated, with COVID-19 cases surging nationwide.

Based on its assessment of current COVID-19 conditions, including the

recent escalation in COVID-19 cases nationwide, FINRA does not believe the COVID-19-related health concerns necessitating this relief will subside by December 31, 2020, and has determined that there will be a continued need for this temporary relief for several months beyond December 31, 2020.

Accordingly, FINRA proposes to extend the expiration date of the temporary rule amendments in the August 31 Filing from December 31, 2020, to April 30, 2021. The extension of these temporary amendments allowing for specified OHO and NAC hearings to proceed by video conference will allow FINRA’s critical adjudicatory functions to continue to operate effectively in these extraordinary circumstances—enabling FINRA to fulfill its statutory obligations to protect investors and maintain fair and orderly markets—while also protecting the health and safety of hearing participants.

FINRA has filed the proposed rule change for immediate effectiveness and has requested that the SEC waive the requirement that the proposed rule change not become operative for 30 days after the date of the filing, so FINRA can implement the proposed rule change immediately.

## 2. Statutory Basis

FINRA believes that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Act,<sup>15</sup> which requires, among other things, that FINRA rules must be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest. FINRA believes that the proposed rule change is also consistent with Section 15A(b)(8) of the Act,<sup>16</sup> which requires, among other things, that FINRA rules provide a fair procedure for the disciplining of members and persons associated with members.

The proposed rule change, which extends the expiration date of the temporary amendments to FINRA rules set forth in the May 8 Filing, will continue to provide FINRA, and in some cases another party to a proceeding, temporary modifications to its procedural requirements in order to allow FINRA to maintain fair processes and protect investors while operating in a remote work environment and with corresponding restrictions on its activities. It is in the public interest, and consistent with the Act’s purpose, for FINRA to operate pursuant to this temporary relief. The temporary

amendments allow FINRA to specify filing and service methods, extend certain time periods, and modify the format of oral argument for FINRA disciplinary and eligibility proceedings and other review processes in order to cope with the current pandemic conditions. In addition, extending this temporary relief will further support FINRA’s disciplinary and eligibility proceedings and other review processes that serve a critical role in providing investor protection and maintaining fair and orderly markets.

The proposed rule change, which also extends the expiration date of the temporary amendments to FINRA rules set forth in the August 31 Filing, will continue to aid FINRA’s efforts to timely conduct hearings in connection with its core adjudicatory functions. Given current COVID-19 conditions and the uncertainty around when those conditions will improve, without this relief allowing OHO and NAC hearings to proceed by video conference, FINRA would be required to postpone such hearings indefinitely. FINRA must be able to perform its critical adjudicatory functions in order to fulfill its statutory obligations to protect investors and maintain fair and orderly markets. As such, this relief is essential to FINRA’s ability to fulfill its statutory obligations and allows hearing participants to avoid the serious COVID-19-related health and safety risks associated with in-person hearings.

Among other things, this relief will allow OHO to conduct temporary cease and desist proceedings by video conference so that FINRA can take immediate action to stop ongoing customer harm and will allow the NAC to timely provide members, disqualified individuals and other applicants an approval or denial of their applications. As set forth in detail in the August 31 Filing, this temporary relief allowing OHO and NAC hearings to proceed by video conference accounts for fair process considerations and will continue to provide fair process while avoiding the COVID-19-related public health risks for hearing participants. Accordingly, the proposed rule change extending this temporary relief is in the public interest and consistent with the Act’s purpose.

## B. Self-Regulatory Organization’s Statement on Burden on Competition

FINRA does not believe that the temporary proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. As set forth in the May 8 Filing and August 31 Filing, the proposed rule

<sup>11</sup> For OHO hearings under FINRA Rules 9261 and 9830, the proposed rule change temporarily grants authority to the Chief or Deputy Chief Hearing Officer to order that a hearing be conducted by video conference. For NAC hearings under FINRA Rules 1015 and 9524, this temporary authority is granted to the NAC or the relevant Subcommittee.

<sup>12</sup> The temporary amendments set forth in the August 31 Filing were subject to a 30-day operative delay and, accordingly, became operative on October 1, 2020.

<sup>13</sup> See Securities Exchange Act Release No. 89739 (September 2, 2020), 85 FR 55712 (September 9, 2020) (Notice of Filing and Immediate Effectiveness of File No. SR-FINRA-2020-027).

<sup>14</sup> As noted in the August 31 Filing, the temporary proposed rule change grants discretion to OHO and the NAC to order a video conference hearing. In deciding whether to schedule a hearing by video conference, OHO and the NAC may consider a variety of other factors in addition to COVID-19 trends. In the August 31 Filing, FINRA provided a non-exhaustive list of other factors OHO and the NAC may take into consideration, including a hearing participant’s individual health concerns and access to the connectivity and technology necessary to participate in a video conference hearing.

<sup>15</sup> 15 U.S.C. 78o-3(b)(6).

<sup>16</sup> 15 U.S.C. 78o-3(b)(8).

change is intended solely to extend temporary relief necessitated by the continued impacts of the COVID-19 outbreak and the related health and safety risks of conducting in-person activities. FINRA believes that the proposed rule change will prevent unnecessary impediments to FINRA's operations, including its critical adjudicatory processes, and its ability to fulfill its statutory obligations to protect investors and maintain fair and orderly markets that would otherwise result if the temporary amendments were to expire on December 31, 2020.

*C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others*

Written comments were neither solicited nor received for this proposed rule change.<sup>17</sup>

**III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>18</sup> and Rule 19b-4(f)(6) thereunder.<sup>19</sup>

A proposed rule change filed under Rule 19b-4(f)(6) normally does not become operative for 30 days after the date of filing. However, pursuant to Rule 19b-4(f)(6)(iii), the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. As FINRA requested in connection with its May 8 Filing and related extensions,<sup>20</sup> FINRA has also asked the Commission to waive the 30-day operative delay so that this proposed rule change may become operative immediately upon filing. FINRA has reiterated that the

requested relief in this proposed rule change will help minimize the impact of the COVID-19 outbreak on FINRA's operations, allowing FINRA to continue critical adjudicatory and review processes in a reasonable and fair manner and meet its critical investor protection goals, while also following best practices with respect to the health and safety of its employees.<sup>21</sup> We also note that this proposal, like FINRA's May 8 Filing and its August 31 Filing, provides only temporary relief during the period in which FINRA's operations are impacted by COVID-19. As proposed, the changes would be in place through April 30, 2021.<sup>22</sup> FINRA also noted in both its May 8 Filing and August 31 Filing that the amended rules will revert back to their original state at the conclusion of the temporary relief period and, if applicable, any extension thereof.<sup>23</sup> For these reasons, the Commission believes that waiver of the 30-day operative delay for this proposal is consistent with the protection of investors and the public interest. Accordingly, the Commission hereby waives the 30-day operative delay and designates the proposal operative upon filing.<sup>24</sup>

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
