to the Final Environmental Impact Statement for EA–18G Growler Airfield Operations at Naval Air Station Whidbey Island Complex (2018) (Record of Decision—March 14, 2019), pursuant to the National Environmental Policy Act and court orders issued by the U.S. District Court for the Western District of Washington.

**DATES:** A 45-day public comment period begins on March 14, 2025, and ends April 28, 2025. A paper copy of the Draft Amended Analysis may be reviewed at 22 public libraries in the northern Puget Sound region. The full list of and addresses for each of the libraries may be found at the project website.

The Navy will be hosting two in-person public meetings in the form of an open-house to inform the public about the contents of the Amended Analysis, answer questions, and provide the opportunity to submit written comments.

*The in-person public meetings are scheduled as follows:*

**SUPPLEMENTARY INFORMATION:** In July 2019, the Navy defended lawsuits in the U.S. District Court for the Western District of Washington challenging the Navy’s 2018 Final Environmental Impact Statement (EIS) and 2019 Record of Decision (ROD) for EA–18G “Growler” Airfield Operations at Naval Air Station (NAS) Whidbey Island Complex. These cases were later consolidated.

In 2022, the Court found the Navy’s EIS and ROD violated the National Environmental Policy Act (NEPA) by “failing to disclose the basis for greenhouse gas emissions calculations, failing to quantify the impact of increased operations on classroom learning, failing to take a hard look at species-specific impacts on birds, and failing to give detailed consideration to the El Centro, California, alternative.” All other claims were dismissed with prejudice. Therefore, the public meetings for the Draft Amended Analysis will be limited to these four areas identified by the Court.

Notice of the availability of the Draft Amended Analysis was distributed to federal, state, and local agencies, elected officials, local tribes (Jamestown S’Klallam Tribe, Lummi Tribe of the Lummi Reservation, Samish Indian Nation, Stillaguamish Tribe of Indians of Washington, Suquamish Indian Tribe of the Port Madison Reservation, Swinomish Indian Tribal Community, Tulalip Tribes of Washington, Upper Skagit Indian Tribe, and organizations.
