#### IV. Commission's Findings and Order Granting Approval of the Proposed Rule Change

After careful consideration, the Commission finds that the proposed rule change, as amended, is consistent with the requirements of the Act and the rules and regulations thereunder, applicable to a national securities exchange, and, in particular with the requirements of Section 6(b)(5) of the Act.<sup>16</sup> The proposed rule change would provide a limited exception to the Exchange's split price priority rule by allowing a Floor Broker and a contra-side participant in the trading crowd to have priority over an out-of-crowd SQT

or an RSQT when there is a bid/ask differential of one minimum trading increment that is established by the quotes of such SQT or RSQT. The Commission believes that the proposed rule change should help facilitate better priced executions for larger-sized orders on the floor of the Exchange. The Commission notes that it has previously approved rule proposals that permit an exchange to grant priority to in-crowd participants in open outcry auctions on its floor over market participants who are not physically present in the crowd.<sup>17</sup>

The Exchange has requested accelerated approval of the proposed rule change. The Commission finds good cause, consistent with Section 19(b)(2) of the Act, to approve the proposed rule change, as amended, prior to the 30th day after the date of publication of the notice of filing thereof in the **Federal Register**. As noted above, the Exchange's proposal yields a result similar to that of CBOE rules previously approved by the Commission that permit a Floor Broker and a contra-side participant in the trading crowd to have priority in split price transactions over out-of-crowd participants when there is a bid/ask differential of one trading increment.<sup>18</sup> Accordingly, the Commission believes that it is appropriate to approve the proposed rule change on an accelerated basis to allow the Phlx to compete more effectively for larger-sized orders in open outcry transactions on the floor of the Exchange.

#### V. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,<sup>19</sup> that the proposed rule change, as amended (Phlx-2006-18), is hereby approved on an accelerated basis until the expiration of the current split price priority pilot program on June 30, 2006.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.<sup>20</sup>
