

requirements of the FTZ Act and Board's regulations are satisfied, and that the proposal is in the public interest;

Now, therefore, the Board hereby orders:

The application to reorganize FTZ 126 under the alternative site framework is approved, subject to the FTZ Act and the Board's regulations, including Section 400.28, to the Board's standard 2,000-acre activation limit for the overall general-purpose zone project, to a five-year ASF sunset provision for magnet sites that would terminate authority for Sites 1, 4, 5, 7–14 and 17 if not activated by August 31, 2015, and to a three-year ASF sunset provision for usage-driven sites that would terminate authority for Sites 2, 3, 15–16 and 18–19 if no foreign-status merchandise is admitted for a bona fide customs purpose by August 31, 2013.

Signed at Washington, DC, this 19th day of August 2010.

Ronald K. Lorentzen,

Deputy Assistant Secretary for Import Administration, Alternate Chairman, Foreign-Trade Zones Board.

Attest:

Andrew McGilvray,

Executive Secretary.

Foreign-Trade Zones Board

Foreign-Trade Zone 43—Battle Creek, MI; Site Renumbering Notice

Foreign-Trade Zone 43 was approved by the FTZ Board on October 19, 1978 (Board Order 138, 43 FR 50233, 10/27/78), and expanded on December 27, 1990 (Board Order 496, 56 FR 675, 1/8/91), January 3, 1992 (Board Order 554, 57 FR 1143, 1/10/92 and Board Order 555, 57 FR 1143, 1/10/92), and June 20, 1997 (Board Order 897, 62 FR 36044, 7/3/97 and Board Order 898, 62 FR 36043, 7/3/97).

FTZ 43 currently consists of 5 “sites” totaling 1,820 acres in the Battle Creek, Michigan area. The current update does not alter the physical boundaries that have previously been approved, but instead involves an administrative renumbering that separates certain non-contiguous sites for record-keeping purposes.

Under this revision, the site list for FTZ 43 will be as follows: Site 1 (1,710 acres)—within the Fort Custer Industrial Park, Battle Creek; Site 2 (21 acres)—Columbia West Industrial Park, Battle Creek; Site 3 (23 acres)—6677 Beatrice

Drive in Texas Township (Kalamazoo County); Site 4 (22 acres)—8250 Logistic Drive, Zeeland Township (Ottawa County), some 20 miles southwest of Grand Rapids; Site 5 (30 acres)—located within the 120-acre St. Joseph River Harbor Development Area adjacent to Lake Michigan in Benton Harbor (Berrien County), some 50 miles east of Battle Creek; Site 7 (14 acres)—72100 Highway M–40 South, Lawton (Van Buren County); and Site 8 (50,000 sq. ft.)—located at 1609 Parnall Road, Jackson (approved on a temporary basis until 1/31/11).

For further information, contact Elizabeth Whiteman at Elizabeth.Whiteman@trade.gov or (202) 482–0473.

Dated: August 25, 2010.

Andrew McGilvray,

Executive Secretary.

BILLING CODE 5001–06–P

DELAWARE RIVER BASIN COMMISSION

Notice of Commission Meeting and Public Hearing

Notice is hereby given that the Delaware River Basin Commission will hold an informal conference followed by a public hearing on Wednesday, September 15, 2010. The hearing will be part of the Commission's regular business meeting. The conference session and business meeting both are open to the public and will be held at the West Trenton Volunteer Fire Company, located at 40 West Upper Ferry Road, West Trenton, New Jersey.

The conference among the commissioners and staff will begin at 10:30 a.m. and will consist of: A report by staff on the year's progress in implementing the 2004 Basin Plan; a report by a representative of the U.S. Army Corps of Engineers on the regional sediment management planning process; and a presentation by a representative of the U.S. Environmental Protection Agency on the Delaware Basin Source Water Collaborative Forum to take place on March 10, 2011.

The subjects of the public hearing to be held during the 1:30 p.m. business meeting include the dockets listed below:

1. *Upper Southampton Municipal Authority, D–1965–023 CP–2.* An application for the renewal of a groundwater withdrawal project to supply the docket holder's water supply distribution system from existing Wells Nos. 3, 7, and 9. The docket holder requests an allocation of 13.53 million gallons per month (mgm). The project wells were constructed in the Stockton Formation and are located in the Southampton and Mill Creek Watersheds in Upper Southampton Township, Bucks County, Pennsylvania, in the Southeastern Pennsylvania Ground Water Protected Area (GWPA).

2. *Abington Township, D–1973–191 CP–4.* An application for renewal of the Abington Township Wastewater Treatment Plant (WWTP). The existing WWTP will continue to discharge treated effluent at an annual average flow of 3.91 million gallons per day (mgd) to Sandy Run, a tributary of the Wissahickon Creek, which drains to the
