ACTION: 60-Day notice of information collection and request for comments.

SUMMARY: The Small Business Administration (SBA) intends to request approval from the Office of Management and Budget (OMB) for the collection of information described below. The Paperwork Reduction Act (PRA) of 1995 requires Federal agencies to publish a notice in the **Federal Register** concerning each proposed collection of information before submission to OMB, and to allow 60 days for public comment in response to the notice. This notice complies with that requirement. **DATES:** Submit comments on or before July 7, 2025.

ADDRESSES: Send all comments to Shay Meinzer, Lead Program Evaluator, shay.meinzer@sba.gov.

FOR FURTHER INFORMATION CONTACT: Shay Meinzer, Lead Program Evaluator, Office of Strategic Management and Enterprise Integrity, Small Business Administration, shay.meinzer@sba.gov, 202-539-1429.

SUPPLEMENTARY INFORMATION: The SBA intends to design and conduct evidence-building activities of SBA programs. SBA's evidence-building activities include formative evaluations of existing programs, process, and new initiatives; logic model development and testing; process or journey mapping; research syntheses; survey, questionnaire, and metric development; analysis; and foundational fact-finding through descriptive and exploratory studies.

Under this generic clearance, the SBA would engage in a variety of techniques to collect information from the public, including grantees, current and potential program providers and participants, researchers, practitioners, and other stakeholders. Participation in data collections is strictly voluntary. The information will provide insights into the public's perceptions, experience, and expectations, and be used to

- maintain a rigorous and relevant evaluation and research agenda,

- inform the development of SBA's evidence-building activities,
- inform the delivery of targeted assistance and workflows related to program and grantee processes,
- inform the development and refinement of recordkeeping and communication systems,
- plan for provision of programmatic or evidence-capacity-related training or technical assistance,
- obtain grantee or stakeholder input on the development or refinement of program logic models, evaluations, and performance measures, and
- test activities to strengthen programs in preparation for summative evaluations.

The aggregated results of this work may be prepared for presentation at professional meetings or disseminated in evaluation reports, research papers, and professional journals. When necessary, results will be labeled as formative or exploratory.

Solicitation of Public Comments: The SBA requests comments on (a) whether the collection of information is necessary for the agency to perform its functions properly; (b) whether the burden estimates are accurate; (c) whether there are ways to minimize the burden, including through the use of automated techniques or other forms of information technology; and (d) whether there are ways to enhance the quality, utility, and clarity of the information collected.

SOCIAL SECURITY ADMINISTRATION

[Docket No. SSA-2025-0013]

Maximum Dollar Limit in the Fee Agreement Process; Partial Rescission

AGENCY: Social Security Administration (SSA).

ACTION: Notice.

SUMMARY: SSA is retaining in part and rescinding in part the **Federal Register** Notice (FRN) that we published on May 10, 2024. With the publication of this Notice the \$9,200 fee cap will remain in effect, and we will only publish a notice in the **Federal Register** when increasing the fee cap, as the Social Security Act (Act) requires.

DATES: This Notice will be applicable on May 6, 2025.

FOR FURTHER INFORMATION CONTACT:

Jennifer Pecora, Office of Vocational, Evaluation, and Process Policy in the Office of Disability Policy, Social Security Administration, 6401 Security Boulevard, Baltimore, MD 21235–6401. Phone (410) 597–1724, email: Jennifer.Pecora@ssa.gov.

For information on eligibility or filing for benefits, call the SSA national toll-free number, 1–800–772–1213 or TTY 1–800–325–0778, or visit SSA's internet site, Social Security Online at <http://www.socialsecurity.gov>.

SUPPLEMENTARY INFORMATION: Pursuant to section 206(a)(2)¹ of the Act, the Commissioner of SSA establishes the maximum fee that a representative may charge and collect from claimants for successful representation in cases before SSA under the fee agreement process. The Act limits the maximum fee to the lesser of 25 percent of the past-due benefits or a fixed dollar amount (fee cap). The Act allows the Commissioner to periodically increase the fee cap, and it requires the Commissioner to publish a notice announcing any increase in the fee cap in the **Federal Register**.²

On May 10, 2024, SSA published an FRN (89 FR 40523) announcing an increase in the representative fee cap to \$9,200, effective November 30, 2024. Additionally, the May 10, 2024, FRN announced that starting January 2026, SSA would annually publish an FRN addressing the maximum dollar amount for fee agreements and providing a rationale for either increasing or maintaining the maximum dollar amount based upon the COLA for the prior year.

Pursuant to this Notice, we will maintain the increased fee cap of \$9,200, which was effective November 30, 2024. However, SSA has determined that, consistent with the Act, we will not publish an FRN each year providing a rationale for either increasing or not increasing the fee cap, but will only publish a notice in the **Federal Register** when increasing the fee cap. We have determined that publishing an FRN each year regardless of whether we increase

the fee cap would impose unnecessary administrative burdens and resource expenditures that the Act does not mandate. This decision aligns SSA's policies with Administration priorities to most efficiently allocate agency resources.

Leeland Dudek,

Acting Commissioner, Social Security Administration.
