DEPARTMENT OF AGRICULTURE

Submission for OMB Review; Comment Request

July 12, 2007.

The Department of Agriculture has submitted the following information collection requirement(s) to OMB for review and clearance under the Paperwork Reduction Act of 1995, Public Law 104-13. Comments regarding (a) whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of burden including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology should be addressed to: Desk Officer for Agriculture, Office of Information and Regulatory Affairs, Office of Management and Budget (OMB), OIRA_Submission@OMB.EOP.GOV or fax (202) 395-5806 and to Departmental Clearance Office, USDA, OCIO, Mail Stop 7602, Washington, DC 20250-7602. Comments regarding these information collections are best assured of having their full effect if received within 30 days of this notification. Copies of the submission(s) may be obtained by calling (202) 720-8681.

An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to

the collection of information unless it displays a currently valid OMB control number.

Risk Management Agency

Title: Standard Reinsurance Agreement Plan of Operations.

OMB Control Number: 0563-0069.

Summary of Collection: The Federal Crop Insurance Act, Title 7 U.S.C. Chapter 36 Section 1508(k) authorizes the Federal Crop Insurance to provide reinsurance to approved insurance providers that insure producers of any agricultural commodity under one or more acceptable plans. The Standard Reinsurance Agreement is a financial agreement between FCIC and the company to provide subsidy and reinsurance on eligible crop insurance. The Plan of Operation provides the information the insurer is required to file for the initial and each subsequent reinsurance year.

Need and Use of the Information: FCIC uses the information as a basis for the approval of the insurer's financial and operational capability of delivering the crop insurance program and for evaluating the insurer's performance regarding implementation of procedures for training and quality control. If the information were not collected, FCIC would not be able to reinsure the crop business.

Description of Respondents: Business or other for-profit; Farms.

Number of Respondents: 40,276.

Frequency of Responses: Reporting: Annually.

Total Burden Hours: 144,264.

Charlene Parker,

Departmental Information Clearance Officer.

Animal and Plant Health Inspection Service

[Docket No. APHIS-2007-0018]

Oregon State University; Availability of an Environmental Assessment for Controlled Release of Genetically Engineered Populus Species and Hybrids

AGENCY: Animal and Plant Health Inspection Service, USDA.

ACTION: Notice.

SUMMARY: We are advising the public that an environmental assessment has been prepared for a proposed controlled field release of genetically engineered (transgenic) clones of *Populus* species and hybrids. The purpose of this controlled field release is to examine the effects of the genetic constructs on the intended traits—reproductive sterility, reduced stature, reduced light response, and modified lignin content. We are making the environmental assessment available to the public for review and comment.

DATES: We will consider all comments received on or before August 17, 2007.

ADDRESSES: You may submit comments by either of the following methods:

- *Federal eRulemaking Portal:* Go to: <http://www.regulations.gov>, select "Animal and Plant Health Inspection Service" from the agency drop-down menu, then click "Submit." In the Docket ID column, select APHIS-2007-0018 to submit or view public comments and to view supporting and related materials available electronically. Information on using Regulations.gov, including instruction for accessing documents, submitting comments, and viewing the docket after the close of the comment period, is available through the site's "User Tips" link.
