

vaccination requirement pursuant to E.O. 14043. PBGC will also not request the submission of any medical information related to a request for an exception from the vaccination requirement pursuant to E.O. 14043 while the injunction remains in place. But PBGC may nevertheless receive information regarding a medical exception. That is because, if PBGC were to receive a request for an exception from the COVID-19 vaccination requirement pursuant to E.O. 14043 during the pendency of the injunction, PBGC will accept the request, hold it in abeyance, and notify the employee who submitted the request that implementation and enforcement of the COVID-19 vaccination requirement pursuant to E.O. 14043 is currently enjoined and that an exception therefore is not necessary so long as the injunction is in place. In other words, during the pendency of the injunction, any information collection related to requests for medical exception from the COVID-19 vaccination requirement pursuant to E.O. 14043 is not undertaken to implement or enforce the COVID-19 vaccination requirement.

Issued in Washington, DC.

BILLING CODE 7709-02-P

POSTAL REGULATORY COMMISSION

[Docket No. N2022-1; Presiding Officer's Ruling No. 1]

Service Standard Changes

AGENCY: Postal Regulatory Commission.

ACTION: Notice.

SUMMARY: The Commission is providing notice that a hearing and certain procedural events have been removed

from the procedural schedule in this proceeding. This notice informs the public of the modified procedural schedule.

ADDRESSES: For additional information, Presiding Officer's Ruling No. 1 can be accessed electronically through the Commission's website at <https://www.prc.gov>.

FOR FURTHER INFORMATION CONTACT: David A. Trissell, General Counsel, at 202-789-6820.

SUPPLEMENTARY INFORMATION: On April 14, 2022, the Postal Service filed a motion for consideration of its stipulation and agreement regarding the advisory opinion in this proceeding in accordance with 39 CFR 3010.320.¹ The Stipulation and Agreement, negotiated between the only two parties in this proceeding—the Postal Service and the Public Representative, concerns certain procedural and evidentiary matters. Specifically, the Postal Service and the Public Representative agree that the direct testimony of Postal Service witnesses, supporting Library References, and any designated response to the Presiding Officer's Information Requests provide substantial evidence supporting an advisory opinion. Motion, Stipulation and Agreement at 2.

They also agree that neither a hearing nor oral argument or examination are necessary in determining whether the proposed service standard changes are in accordance with the policies of Title 39 of the United States Code and in furtherance of the public interest. *Id.* In addition, they agree that they will file no further discovery requests or testimony, unless requested by the Commission. However, both parties reserve the right to submit initial or reply briefs, if necessary. *Id.*

The Postal Service states that it will move for the admission into record evidence the testimonies and supporting documentation. *Id.* The Postal Service

also states that it will move for the adoption of a revised procedural schedule, removing the dates for the hearing, modifying the deadline to file designated materials, and shortening the time to file reply briefs, if necessary:

- Deadline of Discovery Requests: April 18, 2022
- Deadline for Discovery Responses: April 25, 2022
- Notice of Designations: April 26, 2022
- Filing Designated Materials: April 27, 2022
- Initial Brief: May 11, 2022
- Statements of Position: May 11, 2022
- Reply Brief (if needed): May 13, 2022

Id. at 2–3. The Motion is granted. Having considered the Stipulation and Agreement, the Presiding Officer finds that, based on the agreement between parties, certain procedural events can be removed from the schedule. See 39 CFR 3020.110(b). Moreover, adopting the Stipulation and Agreement will not affect the ability of interested parties to participate (*i.e.*, file statements of position) in this proceeding.

Accordingly, the Presiding Officer adopts the revised schedule as proposed by the Postal Service.² Accompanying this Ruling is an updated version of the Procedural Schedule (Attachment) for Docket No. N2022-1.

Ruling

It is ordered:

1. The Motion of the United States Postal Service for Consideration of the Stipulation and Agreement as the Basis for Advisory Opinion, filed April 14, 2022, is granted.

2. The modified procedural schedule for this proceeding is set forth below the signature of this Ruling.

3. The Secretary shall arrange for publication of this Ruling in the **Federal Register**.

Erica A. Barker,
Secretary.

April 19, 2022.

On March 7, 2022, Cboe BZX Exchange, Inc. (“BZX”) filed with the Securities and Exchange Commission (“Commission”), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”) ¹ and Rule 19b-4 thereunder,² a proposed rule change to (i) make the current clearly erroneous execution (“CEE”) pilot program permanent, and (ii) limit the circumstances where CEE reviews would continue to be available during Regular Trading Hours.³ The proposed rule change was published for comment in the **Federal Register** on March 11, 2022.⁴ The Commission has received no comment letters on the proposed rule change.

Section 19(b)(2) of the Act⁵ provides that, within 45 days of the publication of notice of the filing of a proposed rule change, or within such longer period up to 90 days as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or as to which the self-regulatory organization consents, the Commission shall either approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether the proposed rule change should be disapproved. The 45th day after
