In response to your comments, we may revise this ICR or decide not to seek an extension of approval for the Collection. We will consider all comments and material received during the comment period.

SUPPLEMENTARY INFORMATION: This notice informs the public that HUD is seeking approval from OMB for the information collection described in Section A.

A. Overview of Information Collection

Title of Information Collection:

Voucher Management System (VMS).

OMB Approval Number: 2577-0282.

Type of Request: Revision of a previously approved collection.

Form Number: HUD-52672, 52681, 52681-B, 52663 and 52673.

Public Housing Agencies (PHAs) that administer the Housing Choice Voucher (HCV) Program are required to maintain

financial reports in accordance with accepted accounting standards in order to permit timely and effective audits. The HUD-52672 (Supporting Data for Annual Contributions Estimates Section 8 Housing Assistance Payments Program) and 52681 (Voucher for Payment of Annual Contributions and Operating Statement Housing Assistance Payments Program) financial records identify the amount of annual contributions that are received and disbursed by the PHA and are used by PHAs that administer the five-year Mainstream Program, MOD Rehab, and Single Room Occupancy. Form HUD-52663 (Suggested Format for Requisition for Partial Payment of Annual Contributions Section 8 Housing Assistance Payments Program) provides for PHAs to indicate requested funds and monthly amounts. Form HUD-52673 (Estimate of Total Required Annual Contributions Section 8 Housing Assistance Payments Program) allows PHAs to estimate their total required annual contributions. The required financial statements are similar to those prepared by any responsible business or organization. The automated form HUD-52681-B (Voucher for Payment of Annual Contributions and Operating Statement Housing Assistance Payments Program Supplemental Reporting Form) is entered by the PHA into the Voucher Management System (VMS) on a monthly basis during each calendar year to track leasing and Housing Assistance Payments (HAP) expenses by voucher category, as well as data concerning fraud recovery, Family Self-Sufficiency escrow accounts, PHA-held equity, etc. The inclusion, change, and deletion of the fields will improve the allocation of funds and allow the PHAs and the Department to realize a more complete picture of the PHAs' resources and

program activities, promote financial accountability, and improve the PHAs' ability to provide assistance to as many households as possible while maximizing budgets. In addition, the fields will be crucial to the identification of actual or incipient financial problems that will ultimately affect funding for program participants. The automated form HUD-52681-B is also utilized by the same programs as the manual forms.

Description of the need for the information and proposed use: The Voucher Management System (VMS) supports the information management needs of the Housing Choice Voucher (HCV) Program and management functions performed by the Financial Management Center (FMC) and the Financial Management Division (FMD) of the Office of Public and Indian Housing and the Real Estate Assessment Center (PIH-REAC). This system's primary purpose is to provide a central system to monitor and manage the Public Housing Agency (PHAs) use of vouchers and expenditure of program funds and is the base for budget formulation and budget implementation. The VMS collects PHAs' actual cost data that enables HUD to perform and control cash management activities; the costs reported are the base for quarterly HAP and Fee obligations and advance disbursements in a timely manner, and reconciliations for overages and shortages on a quarterly basis.

Respondents (i.e., affected public): Public Housing Authorities (PHA).

Estimated Number of Respondents: 2,185.

Estimated Number of Responses: 26,980.

Frequency of Response: Monthly.

Average Hours per Response: 2.

Total Estimated Burdens: 53,580.

A. Overview of Information Collection

Title of Information Collection: Promise Zones Reporting.

OMB Approval Number: 2501-0035.

Type of Request: Reinstatement with changes.

Form Number: HUD-9916 Promise Zone Annual Narrative Report.

HUD-9917 Quarterly Investments & Assistance Report.

HUD-9919 Quarterly Progress and Annual Priorities Report.

Description of the need for the information and proposed use: This collection is a reinstatement with changes to a previous collection that collected information for reporting purposes. The HUD-XXXX "New Neighborhood Amenities" form, from the original 2501-0035 OMB approval, has been removed from this collection because the form was never used. Additionally, HUD Form 9917 (Bi-annual Non-Federal Investment report) and HUD Form 9918 (Monthly Federal Grants Report) have been merged so that HUD 9917 will now collect the information previously captured in

HUD 9918. HUD 9917 has therefore been reformatted to collect this new information and to be more user-friendly; HUD 9918 has been removed and retired from this collection. HUD-9917 will now be called the Quarterly Investments and Assistance Report; it will be collected quarterly and submitted cumulatively. These changes will reduce unnecessary copying and pasting, reformatting, and file management, and will ultimately reduce the burden on respondents.

HUD designated fourteen communities as urban Promise Zones between 2014 and 2016. Under the Promise Zones initiative, the federal government invests in and partners with high-poverty urban, rural, and tribal communities to create jobs, increase economic activity, improve educational opportunities, leverage private investment, and reduce violent crime. Additional information about the Promise Zones initiative can be found at https://www.hud.gov/program_offices/field_policy_mgt/fieldpolicygmtgz, and questions can be addressed to promiszone@hud.gov. The federal administrative duties pertaining to these designations shall be managed and executed by HUD for ten years from the designation dates pursuant to sections 2 and 3 of the HUD Act, 42 U.S.C. 3531-32, to assist the President in achieving maximum coordination of the various federal activities which have a major effect upon urban community, suburban, or metropolitan development; to develop and recommend the President policies for fostering orderly growth and development of the Nation's urban areas; and to exercise leadership, at the direction of the President, in coordinating federal activities affecting housing and urban development. To facilitate communication between local and federal partners, HUD proposes that Promise Zone Lead Organizations submit minimal reports and documents to support collaboration and problem solving between local and federal partners. These reports will also assist in communications and stakeholder engagement, both locally and nationally.

Respondents: Fourteen Promise Zone Lead Organizations.

Estimated Number of Respondents:

Information collection	Number of respondents	Frequency of response	Responses per annum	Burden hour per response	Annual burden hours	Hourly cost per response	Annual cost
Annual Report Narrative (9916)	14	1	14	10	140	\$38.08	\$5,331.20
Quarterly Investments and Assistance report (9917)	14	4	56	20	1,120	38.08	42,649.60
