Privacy Act: Except as provided below, all comments received into the docket will be made public in their entirety. The comments will be searchable by the name of the individual submitting the comment (or signing the comment, if submitted on behalf of an association, business, labor union, etc.) You should not include information in your comment that you do not want to be made public. You may review DOT's complete Privacy Act Statement in the **Federal Register** published on April 11, 2000 (65 FR 19477) or at <https://www.transportation.gov/privacy>.

FOR FURTHER INFORMATION CONTACT: For program matters, contact Chelsea Champlin, National Transit Database Program Manager, FTA Office of Budget and Policy, 202-366-1651, Chelsea.champlin@dot.gov.

SUPPLEMENTARY INFORMATION: FTA's Office of Budget and Policy is reopening the comment period for the **Federal Register** notice on National Transit Database Reporting Changes and Clarifications, originally published on October 31, 2024 (89 FR 86907). Given the complex nature of these reporting requirements and its impact on NTD reporting agencies, it is essential that transit agencies and all affected parties have sufficient time to review these proposals and comment on them if so desired. The extension is supported by FTA's Transit Advisory Committee for Safety and FTA's Office of Transit Safety, as the notice contains proposed changes that impact safety and security reporting as well. In support of public transportation safety, in light of the comment period coinciding with the end-of-year holidays, and to allow for more input on the implementation of these reporting changes, FTA believes offering the standard 30-day extension of time is justified and is reopening the comment period until January 29, 2025.

Veronica Vanterpool,
Deputy Administrator.
