

Space in Public Buildings and Grounds. This notice indicates GSA's intent to request an extension by 3 years of OMB's emergency reinstatement of this collection and to request public review and comment on the collection.

Public comments are particularly invited on: Whether this collection of information is necessary for the proper performance of GSA use of applications/permits for use of space in a GSA building, and whether it will have practical utility; whether our estimate of the public burden of this collection of information is accurate, and based on valid assumptions and methodology; ways to enhance the quality, utility, and clarity of the information to be collected; and ways in which we can minimize the burden of the collection of information on those who are to respond, through the use of appropriate technological collection techniques or other forms of information technology.

DATES: Comments may be submitted on or before July 8, 2002.

FOR FURTHER INFORMATION CONTACT:

Charlene Heeter, Public Buildings Service, GSA (202) 208-0214.

ADDRESSES: Comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, should be submitted to Stephanie Morris, General Services Administration, Regulatory Secretariat, 1800 F Street, NW, Room 4035, Washington, DC 20405.
