SUMMARY: The IC Clearance Official, Regulatory Information Management Services, Office of Management, invites comments on the proposed information collection requests as required by the Paperwork Reduction Act of 1995.

Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g., new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment.

The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.

Data from the form have been used to evaluate within individual programs. These data also have been used to indicate trends in the provision of services from year to year. In addition, Form RSA-227 will be used to analyze and evaluate the effectiveness of eligible Client Assistance Program (CAP) administered by designated CAP agencies. These agencies provide services to individuals seeking or receiving services from programs and projects authorized by the Rehabilitation Act of 1973, as amended.
