The Federal student aid programs include the Federal Supplemental Educational Opportunity Grant (FSEOG), Federal Work-Study (FWS), Federal Perkins Loan, Federal Pell Grant, William D. Ford Federal Direct Loan (Direct Loan), Teacher Education Assistance for College and Higher Education (TEACH) Grant, and Iraq and Afghanistan Service Grant Programs.

These programs, administered by the U.S. Department of Education (Department), provide financial assistance to students attending eligible postsecondary educational institutions to help them pay their educational costs.

Deadline and Submission Dates: See Tables A, B, and C at the end of this notice.

Table A—Deadline Dates for Application Processing and Receipt of Institutional Student Information Records (ISIRs) or Student Aid Reports (SARs) by Institutions for the 2012–2013 Award Year

Table A provides information and deadline dates for application processing, including deadlines for receipt of the Free Application for Federal Student Aid (FAFSA); corrections to and signatures for the FAFSA, ISIRs, and SARs; and verification documents.

The deadline date for the receipt of a FAFSA by the Department's Central Processing System is June 30, 2013, regardless of the method that the applicant uses to submit the FAFSA. The deadline date for the receipt of a signature page for the FAFSA (if required), correction, notice of change of address or school, or request for a duplicate SAR is September 21, 2013. Verification documents must be received by the institution no later than the earlier of 120 days after the student's last date of enrollment for the 2012–2013 award year or September 28, 2013. As a reminder, verification is not required for unsubsidized Direct Stafford Loans and PLUS Loans, TEACH Grants, and Iraq and Afghanistan Service Grants.

For all Federal student aid programs, an ISIR or SAR must be received by the institution no later than the earlier of the student's last date of enrollment for

the 2012–2013 award year or September 28, 2013. For all Federal student aid programs, except for Direct PLUS Loans made to parent borrowers, an ISIR or SAR with an official expected family contribution must be received by the institution no later than the earlier of the student's last date of enrollment for the 2012–2013 award year or September 28, 2013. For the Federal Pell Grant, FSEOG, FWS, and Federal Perkins Loan Programs and for Direct Subsidized Loans, for a student not meeting the conditions for a late disbursement, a valid ISIR or SAR must be received no later than the earlier of the student's last date of enrollment for the 2012–2013 award year or September 28, 2013. For a student meeting the conditions for a late disbursement under these programs or loans, a valid ISIR or SAR must be received by the deadlines provided in Table A.

In accordance with 34 CFR 668.164(g)(4)(i), an institution may not make a late disbursement of title IV student assistance funds later than 180 days after the date of the institution's determination that the student withdrew, as provided in 34 CFR 668.22, or, for a student who did not withdraw, 180 days after the date the student otherwise became ineligible. Table A provides that, to make a late disbursement of title IV student assistance funds, an institution must receive a valid ISIR or valid SAR no later than 180 days after its determination of a student's withdrawal or, for a student who did not withdraw, 180 days after the date the student otherwise became ineligible, but not later than September 28, 2013.

Table B—Federal Pell Grant Program and Iraq and Afghanistan Service Grant Program Submission Dates for Disbursement Information by Institutions for the 2012–2013 Award Year

Table B provides the earliest submission and deadline dates for institutions to submit Federal Pell Grant and Iraq and Afghanistan Service Grant disbursement records to the Department's Common Origination and Disbursement (COD) System and deadline dates for an institution's request for administrative relief if it cannot meet the established deadline for specified reasons.

For disbursements (or adjustments to previously made disbursements) made prior to April 1, 2013, an institution must submit Federal Pell Grant or Iraq and Afghanistan Service Grant disbursement records, as applicable, no later than 30 days after making the disbursement or becoming aware of the

need to adjust a student's previously reported Federal Pell Grant or Iraq and Afghanistan Service Grant disbursement.

For disbursements (or adjustments to previously made disbursements) made on or after April 1, 2013, an institution must submit Federal Pell Grant or Iraq and Afghanistan Service Grant disbursement records, as applicable, no later than 15 days after making the disbursement or becoming aware of the need to adjust a student's previously reported Federal Pell Grant or Iraq and Afghanistan Service Grant disbursement. In accordance with the regulations in 34 CFR 668.164, we consider that Federal Pell Grant and Iraq and Afghanistan Service Grant funds are disbursed on the date that the institution: (a) credits those funds to a student's account in the institution's general ledger or any subledger of the general ledger, or (b) pays those funds to a student directly. We consider that Federal Pell Grant and Iraq and Afghanistan Service Grant funds are disbursed even if an institution uses its own funds in advance of receiving program funds from the Department.

An institution's failure to submit disbursement records within the required timeframe may result in the Secretary rejecting all or part of the reported disbursement. In addition, such failure may result in an audit or program review finding. In addition, the Secretary may initiate an adverse action, such as a fine or other penalty for such failure, in accordance with subpart G of part 668.

Table C—William D. Ford Federal Direct Loan (Direct Loan) Program and Teacher Education Assistance for College and Higher Education (TEACH) Grant Program Submission Dates for Disbursement Information by Institutions for the 2012–2013 COD Processing Year

Table C provides the earliest submission and deadline dates for institutions to submit Direct Loan and TEACH Grant disbursement records to the Department's COD System.

For disbursements (or adjustments to previously made disbursements) made prior to April 1, 2013, an institution

must submit Direct Loan or TEACH Grant disbursement records no later than 30 days after making a Direct Loan or TEACH Grant disbursement, or becoming aware of the need to adjust a student's previously reported Direct Loan or TEACH Grant disbursement.

For disbursements (or adjustments to previously made disbursements) made on or after April 1, 2013, an institution must submit Direct Loan or TEACH Grant disbursement records no later than 15 days after making a Direct Loan or TEACH Grant disbursement or becoming aware of the need to adjust a student's previously reported Direct Loan or TEACH Grant disbursement. In accordance with 34 CFR 668.164, we consider that Direct Loan and TEACH Grant funds are disbursed on the date that the institution: (a) Credits those funds to a student's account in the institution's general ledger or any subledger of the general ledger, or (b) pays those funds to a student directly. We consider that Direct Loan and TEACH Grant funds are disbursed even if an institution uses its own funds in advance of receiving program funds from the Department. An institution's failure to submit disbursement records within the required timeframe may result in an audit or program review finding. In addition, the Secretary may initiate an adverse action, such as a fine or other penalty for such failure.

¹ The deadline for electronic transactions is 11:59 p.m. (Central Time) on the deadline date. Transmissions must be completed and accepted before 12:00 midnight to meet the deadline. If transmissions are started before 12:00 midnight but are not completed until after 12:00 midnight, those transmissions do not meet the deadline. In addition, any transmission submitted on or just prior to the deadline date that is rejected may not be reprocessed because the deadline will have passed by the time the user gets the information notifying him or her of the rejection.

² The date the ISIR/SAR transaction was processed by CPS is considered to be the date the institution received the ISIR or SAR regardless of whether the institution has downloaded the ISIR from its SAIG mailbox or when the student submits the SAR to the institution.

³ Although the Secretary has set this deadline date for the submission of verification documents, if corrections are required, deadline dates for submission of paper or electronic corrections and, for a Federal Pell Grant and applicants selected for verification, the submission of a valid SAR or valid ISIR to the institution must still be met. An institution may establish an earlier deadline for the submission of verification documents for purposes of the campus-based programs and the Federal Direct Loan Program, but no later than this deadline date.

EIA proposes to report reserves for three, small natural gas and oil production states (IL, IN, and TN) “as reported” (i.e., will no longer estimate the total reserves for these states) under the Miscellaneous States category in EIA publications. The Form EIA–23L instructions will be updated with the current EIA definitions of terms used. Form EIA–64A will be extended without changes.

DATES: Comments regarding this collection must be received on or before April 1, 2013. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, please advise the DOE Desk Officer at OMB of your intention to make a submission as soon as possible.
