

mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

The Exchange believes that the proposed amendments are clarifying amendments or are non-substantive. The proposals would provide the proper Committee and entity names, with respect to the proposals to change the Nominating Committee and NASDAQ OMX PHLX names, and in the case of the broker nonvote proposal, would provide additional information to shareholders. The Exchange believes that these proposed amendments protect investors and the public interest, including NASDAQ OMX shareholders, in that the proposed changes would serve to clarify NASDAQ OMX's By-Laws and processes for its annual election.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will result in any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 45 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission shall: (a) By order approve or disapprove such proposed rule change, or (b) institute proceedings to determine whether the proposed rule change should be disapproved.
