At this time, the Department is soliciting input on ways to improve its FOIA efforts and, in particular, its written communication with individual requesters.

The Department is convening this forum to begin the public input process. The first part of the program will consist of presentations by Departmental officials involved in the FOIA process. The second part of the program will be set aside to allow members of the requester community and the public to make suggestions or ask questions about the Department's FOIA Improvement Plan or its FOIA processes generally.
